"THE POWER OF WE"

Dear Lions,

Excellence isn't a destination. It's a journey. We are committed to excellence at all levels of Lions. As a club leader, you have an incredible opportunity to help transform your club into a stronger, more efficient team that can serve your community in more ways than ever before.

To realize your club's full potential, you will need to focus on creating a quality club experience for all members. The Club Quality Initiative makes it easy by taking you step-by-step through the process.

The Club Quality Initiative can help make your service more effective and your operations more efficient. It can help keep your members engaged in service and club life. That means you can better serve your community *and* your members. Plus, a quality club experience is closely linked to membership retention. It hurts much more to lose an existing member than it does to miss out on a new one.

And don't be afraid to try new things. Success can come from unexpected places and even the smallest changes can have a profound effect on your club. There's no time to waste! Together we can transform our clubs, our association and the world.

Sincerely,

Dr. Naresh Aggarwal
Your International President

Walk the World with LCIF

LCIF is proud to partner with Johnson & Johnson Vision Care Companies to provide Sight for Kids. Now, you can walk, run, or bike to raise money for Sight for Kids wherever you are in the world. Simply download the Charity Miles app on your smartphone, select "Sight for Kids," and take a walk! LCIF will receive a donation for every mile logged. Supporting this vital initiative has never been easier! To date, Lions have raised nearly US\$15,000 through Charity Miles! This equates to almost 150,000 miles biked or almost 60,000 miles walked or run. Keep going, Lions!

From Your District Governor - DG Wayne Christen

Greetings, Lions of OH4.

I hope everyone had a wonderful Thanksgiving full of food, family and football. The turkey certainly wasn't the only thing stuffed this month. My schedule was also crammed to the max. Lion Janet and I visited with 8 clubs and attended 4 Zone meetings. Plans for the future of MD13 were advanced at the Council of Governors meeting early in November where we decided to submit a potential dues increase at the 2018 MD13 Convention. At our Cabinet meeting, we were proud to send a recommendation to our OH4 Convention that our very own PCC Dave Gauch be endorsed as our candidate for International Director. Although PCC Dave could not actively campaign yet, we need to begin our support for him and show that we feel he is the best candidate for the position.

A meeting was held November 16th to assist some of our clubs in their efforts to become compliant again with both the IRS and the Ohio Attorney General. Our Long Range Planning Committee met on the 12th and the GAT meeting was held on the 19th.

A big "Thank You" goes to the clubs of OH4 for their efforts to gain new members. Although the district remains at -25 members for the year, we broke even in November with 10 new members and only 10 losses. The tide has turned and I believe we will begin showing gains in the coming months. Please continue to invite prospective members to visit your club meetings as well as your projects and fund raisers.

I want to wish you all a very Merry Christmas and a Happy New Year. May your holidays be filled with joy, love and happiness.

Yours in Lionism,
DG Wayne Christen

"IT'S GREAT TO BE A LION"

SECOND VICE DISTRICT GOVERNOR REPORT-NOVEMBER

This is my fifth report as District 13-OH4 district Governor. Since last month we had our 2nd District 13-OH4 Cabinet Meeting in Willoughby. As your representative as an elected member of the Ohio Lions District 13 Finance & Planning Committee I have been asked to forward this important message to you. Below is a letter from PDG Dave Luttrell who is on my committee:

Dear OH4 Lions,

Over the last 10 years the costs for my medical insurance has gone up. Deductibles have increased, co-pays have increased, and the cost of my medications has increased. And I'm now 10 years older so I see my doctors a bit more, and have a longer list of meds. Over the last 10 years the costs for the Ohio Lions state office have increased, and the costs for training, committee expenses, postage, and many other things have increased as well. After years of adjusting by the Council of Governors and the Finance and Long-Range Planning Committee, additional money is needed from the Lions in Ohio.

At the May 2018 state convention, the delegates will vote to approve a \$5 dues increase. This increase will be spread over three years with \$2 starting for the term January 2019-June 2019, \$2 more July 2019, and \$1 more starting July 2020. The Office Operations fund will run out of money in 2019 and several funds are struggling. This is because we spend \$12,000 a year for the building "major repairs fund". We spend many thousands a year on training for Zone Chairs, and Vice and District Governors and Ohio's training is some of the best in the world. Mileage for state committee volunteers and leaders is offered to those that request it. These are all reasonable expenses to keep Ohio Lions a strong organization.

Over the last 10 years, we have lost members in Ohio and we are around 12,000 strong. Twenty years ago we had over 20,000 Ohio Lions. If we had increased membership during this period, this dues increase would not be needed. Since there are fewer of us, yet costs increase, we need to contribute a bit more. We encourage you and your club to support this change. I hope that you will also look to changing your club dues structure and the first increase starting effective January 2019 was put into place to allow time for that adjustment.

Yours in Lionism,
Lion PDG Dave Luttrell & Lion 2VDG Tony DeLuke

District Governor visits Austintown Lions Club

On Monday, November 13, the Austintown Lions Club held their regular meeting at the Austintown Community Church, with King Lion John Susany presiding. Special guests included District Governor Wayne Christen, and wife Lion Janet, from the Calcutta Lions Club, and members of the Austintown Lioness Club.

Highlight of the evening was the induction of two new members to the Club. Those members were Joe Puntel, who was sponsored by Lion Larry Jensen, and Victor Boerio, sponsored by PDG Bob Whited.

Christen in his remarks gave a detailed talk about new membership and its effects on Lions worldwide. District 13-OH4 is comprised of some 62 clubs in 9 counties.

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Dear Lions,

Happiness is seeing healthy children run and play and go to school. Unfortunately, in areas where measles is prevalent, some children have those simple pleasures taken away. Nearly 400 people die from measles every day, most of them children. Survivors can be left with life-altering complications including permanent hearing loss, blindness, and brain damage. This doesn't have to happen. Measles is a preventable disease, which is one reason why Lions Clubs International Foundation (LCIF) is supporting measles initiatives. One measles vaccination costs about US\$1. I've seen Lions pull together and accomplish great things, so I know that we can eliminate measles by donating to the cause and volunteering in local measles campaigns. Let's see what we can do to fight measles and give all children a healthy start to life! Consider donating to LCIF's measles initiative, One Shot, One Life.

As many Lions know, LCIF has committed to raising US\$30 million dollars by the end of 2017, which will go to Gavi, the Vaccine Alliance, an organization that will match LCIF's measles contribution dollar-for-dollar. Meanwhile, Lions are using LCIF grants to get measles and rubella vaccinations to areas that need it the most. Through organized campaigns, Lions are helping to vaccinate children at no cost to their family. Learn how Lions and LCIF are fighting measles by visiting our blog. Help us with the vaccination of 114 million children; donate today!

Sincerely,

IIIP Chancellor Bob Corlew
Chairman, Lions Clubs International Foundation
