"THE POWER OF WE"

Dear Lions,

Lions Clubs International Foundation (LCIF) has played an incredible role in funding the life-changing service of Lions around the world. It converts generous donations into service at the best exchange rate in the world. We are celebrating our foundation's 50th anniversary this year, but this incredible milestone is only the beginning.

LCIF will be launching a US\$300 million capital campaign at our International Convention in Las Vegas. This campaign will allow LCIF to increase support of its expanding focus areas, including our new global causes. Even though the campaign doesn't kick off until June, I need you to help lay the foundation for success now. Here's how you can help:

Talk about LCIF on club visits. Let clubs know that donating is another way to serve. Every dollar given to LCIF supports the service of Lions.

Encourage members to give to LCIF. The average Lion gives US\$0.53 to LCIF per week. If we can raise that to even US\$1 a week, we can double our impact.

Make a contribution to LCIF. We lead by example. Put your kindness into action and personally give a small amount to LCIF, then let Lions know that you gave. Currently, less than 6% of Lions contribute. Can we significantly increase this number together?

We have an opportunity to give this incredible capital campaign a running start, and I believe success starts with leaders like you. So help our Lions understand just how vital LCIF is to our service and to the Power of We. Together, we can increase the impact of the foundation today, and for years to come.

Sincerely,

Dr. Naresh Aggarwal
Your International President

Put Your Kindness in Action

Kindness matters. And so does every dollar that Lions generously give. We're trying to raise US\$50 million to celebrate the 50th anniversary of LCIF. It's an ambitious goal, but an important one. Even an average donation of US\$1 a week from each member will double our annual funds raised, and fund even more service of Lions around the world. Plus, every dollar will help us reach our capital campaign goal of US\$300 million. Give help. Give hope. **Give now.**

From Your District Governor - DG Wayne Christen

Greetings, Lions of OH4.

March has been a very busy month. I was able to visit 8 more clubs, attend a couple of zone meetings, plus Canfield's 40th charter celebration. Lion Janet and I spent the first 3 weekends of the month visiting district conventions in OH7, OH5, and, of course, our own OH4 convention in Canton. What a wonderful time we had at the McKinley Grand Hotel. PDG Tom and Lion Nancy Kirkbride did a fabulous job as convention co-chairs. We have heard a large number of comments about the weekend and all have been favorable. It was a great joy to spend the time with ID Don and Lion Betty Noland, getting to know them and hearing stories of their experiences. They, too, were very complimentary of our convention, commenting on numerous occasions that they liked how we in Ohio do things a little differently. They come from the "Show Me" state of Missouri, and they said OH4 Lions showed them quite a bit.

Lion Janet and I will be taking a few weekends off before we hit the convention trail again, beginning with OH2 on April 13th through the 15th. Districts OH1, OH3, and OH6 will follow on consecutive weekends, then, after one weekend off, we will be attending the MD13 convention. In between those trips, we will continue visiting clubs and their events.

I want to congratulate Lions Mike Tyler, Tony DeLuke, and Carol Snyder on their being elected 2VDG, 1VDG and DG, respectively at our convention. Our district will continue to be in good hands in the foreseeable future.

Our limited membership growth slowed a bit in March. We continued to bring in new members, but still had a net loss of -3, leaving us at -17 for the YTD. However, I am hearing good reports from clubs that are scheduling their Spring membership drives. We have our work cut out for us, but +62 is still attainable. Let's all put forth a concerted effort to reach our goals. We are Lions of OH4. We can do whatever we put our minds to. "It's great to be a Lion". So share it. Ask someone to join you at your next meeting.

Yours in Lionism,

DG Wayne Christen

"IT'S GREAT TO BE A LION"

From Your First Vice District Governor - FVDG Michael Tyler

District Convention and District Social

We had such a great District Convention this year! District Governor Wayne was outstanding and in his element this past Convention Weekend. The speakers were great, the Hospitality Rooms were really good, and the presentations made me learn something new again. If you haven't been to a District Convention in a while you missed a great one this year. We also had an election and I am grateful to accept the position of District Governor Elect. We had two others elected as well as 1VDG Lion Tony DeLuke was elected along with 2VDG Lion Carol Snyder. I truly look forward to working with these two in the next year. However, it's not over yet.

We have our Spring Social coming up this Saturday! I hope you can all make it. This is a time we get a chance to have some fun for all the good deeds we do all year.

I hope to see you all there,
DGe Lion Michael Tyler

Lions Clubs International
FOUNDATION

OUR FOUNDATION

Dear Lions,

As many of you know, Lions Clubs International Foundation (LCIF) is turning 50 years old this year. We are celebrating in many exciting ways, including birthday parties all over the world, and a series of fun and educational contests that you can enter at LCIF50.org. We hope you'll take part in the celebration.

Growth allows LCIF to make exciting changes, another thing to celebrate. LCIF continually moves forward to assist Lions in making a bigger impact on the world.

With that said, there are some new grant opportunities I hope you will be excited about. These new additions will allow Lions and Leos to expand their service work. Keep reading for details on the new grants, and visit LCIF.org for more information.

As you hear more about LCIF's 50th anniversary, let's reflect upon LCIF's mission: "To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

LCIF depends on the hearts of Lions. Keep up the great work! Let's show the world what Lions and LCIF can do together.

Sincerely,

Chancellor Bob Corlew
Chairman, Lions Clubs International Foundation

Lions Clubs International

As Lions Clubs International has grown increasingly global, so has the range of problems members are tackling. Lions are playing a key role in the worldwide fight against measles and rubella—vaccine-preventable diseases that threaten the lives of millions of children in the world's poorest regions.

Lions were drawn into the fight because measles remains one of the leading causes of death among young children despite the availability of a safe and inexpensive vaccine. Rubella can have serious effects on pregnant women and cause fetal death or congenital birth defects known as congenital rubella syndrome. The spread of the two diseases often can be prevented at the same time through the administration of a combined measles rubella vaccine.

Through the One Shot, One Life: Lions Measles Initiative, Lions have joined a sweeping effort to stamp out measles and rubella by helping to ensure that vast numbers of children in developing countries are vaccinated.

Lions are putting their organizational and education skills to work to help mobilize communities in making a difference. "Vaccines can't save lives if children don't receive them," said Past District Governor Dr. Tebebe Yemane-Berhan, a member of the LCIF Steering Committee from Ethiopia.

The job isn't finished. But according to Past International President Wayne Madden, who also served as the LCIF Chairperson in 2013-2014, Lions' work with vaccine partners is "increasing access to immunization, strengthening communities and saving lives in the process."

From the ID campaign trail...

March was a great month! Lion Patti and I visited the OH7 convention in Lancaster and the OH5 convention in Worthington. We enjoyed chatting with Lions in those districts and appreciated the opportunity to talk about my campaign to secure the MD13 endorsement for international director. Three busy weekends concluded with our own OH4 convention. I want to thank everyone for your support and encouragement, and for the District 13-OH4 endorsement. It is humbling to receive so much support.

April will be just as busy with three more district conventions, OH2, OH1, and OH3. The final district convention will be OH6 held the first weekend of May. We will continue to campaign at full speed as we head towards the MD13 convention in May in Dublin. There is still time to register for the state convention and forms are available on the state website, ohiolions.org. If you are unsure about your club's delegate allotment, you can contact Paul Metrovich or me.

I am qualified to serve as an international director, I am prepared to serve as an international director, and I am ready to serve as an international director. Please consider my credentials and cast your vote for me in Dublin as Ohio's candidate international director.

I look forward to chatting with you many times and sharing more maple candy.

Willoughby Lions Dining in the Dark @SOL in Historic Downtown Willoughby

Monday, April 30th, 6:00 Doors Open,
6:30 pm Dinner Served
Tickets—\$50 for dinner; Cash Bar After Dinner

The Willoughby Lions, chartered in 1944 by Lions International, and the Willoughby South High School National Honor Society and Key Club teams invite you to come experience the sensation of visual impairment while attempting to dine.

WHY: To raise awareness of visual impairments and funds for technology to help those with visual impairments.

The mission of the Lions is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs. The Willoughby Lions Club has partnered with the Willoughby South National Honor Society and Key Club to create an experiential meal, at SOL in historic downtown Willoughby, to attempt to replicate difficulties that those with visual impairment experience daily. This partnership has been developed for the benefit of both organizations. The Lions club is interested in exposing the next generation to the joys of being an active community member through service. This exposure for the members of the National Honor Society and Key Club fulfills several pillars of the organization; service, character, and leadership.

We are currently looking for local businesses to help with the funding of the dinner. This funding would go toward the off-setting of materials for the meal. We are contacting local businesses with the hope that publicity from this event would help drive a local purchasing pattern. Any level of donation would be greatly appreciated. Donations at the \$100.00 level would be provided with recognition at the meal and an opportunity for the business to provide literature or coupons for a take-home bag or Chinese auction donations. A table sponsorship for \$500.00 (includes 8 tickets to the event and social media recognition).

If you are interested in sponsoring the Dining in the Dark experience and for tickets please feel free to contact Terry Reagan at etreagan@att.net

Ohio Lions: If you are planning on going to the USA/Canada Lions Leadership Forum in Portland, here is the shirt you need to let all of the Lions know you are on Team Ohio. The 2018 Columbus Forum registration volunteers are being asked to wear this shirt while working the registration booth in Portland and during the closing ceremony to promote the Columbus Forum.

All Team Ohio Lions going to the forum in Portland are encouraged to wear this shirt with pride to the closing session even if you are unable to participate in the festivities on stage.
