"THE POWER OF WE"

Dear Lions,

Lions are known for bringing uncommon kindness to the world, but what is your club known for in your community? I am sure that you are doing so much more than your community knows, providing valuable service, creating opportunities for caring men and women to give back, and changing lives in ways that most don't see. Technology offers so many ways to share our story with our community, and social media is one of the most effective.

Social media can help you instantly connect with your community. With more than 4.8 billion mobile devices around the world, we have the ability to speak directly to our communities. You can share your success stories, promote new projects and inspire others to serve with you. When you report your service on MyLCI or your regional reporting system, we can shine a light on the work of Lions in ways never before possible. Local media outlets are also monitoring social media to find stories they want to share with their readers. We are good news, and that's something the world needs more of these days.

I believe that when others see the tremendous work we're doing, they will want to be a part of it. We know there is nothing like the feeling of helping others. Your service stories can help bring this feeling to life. And social media can help bring these stories to your community.

I encourage you to use all the tools at hand to share the Power of We with our communities.

Sincerely,

Dr. Naresh Aggarwal
Your International President

Maximize Your Social Media Impact

Managing your club's social media presence is a great opportunity to connect to your local community and beyond. Here are some tips for maximizing your social media.

Engage your community – Connect with community organizations such as schools, libraries, park districts or local leaders to expand your reach.

Follow, comment and tag – Join conversations to build a network that will provide more exposure for your club's activities.

Set up multiple admin and editor roles – This provides more support and new opportunities for Lions who want to contribute to your social media.

From Your District Governor - DG Wayne Christen

Greetings, earthlings of OH4,

The membership growth for April has been out of this world. We are currently only down 10 for the year. And, with reports I am receiving, we should be on the plus side within a couple of weeks. Be sure your club secretaries are entering the new members immediately. You do not need to wait until they are inducted to include them on your roster.

Lion Janet and I have been working toward completing our visitations. We only have a handful left to complete. We also attended 2 charter nights as well as 3 other district conventions. Only 1 more district convention to go. However, we also plan to attend the MD13 convention in Dublin, Ohio, the LCI Convention in June, in Las Vegas, and the USA/Canada Forum in Columbus in September. One of the great joys of being a Lion is that you meet so many wonderful people. And these conventions give us the opportunity to get re-acquainted with our current friends as we add to their numbers.

The weather is finally changing. This should help us get back to what we do best - SERVE. Please continue your efforts to help those in your communities. And be sure to report them EVERY month. District OH6 has reached their goal of 100% of their clubs filing an Activity Report. No reason we can't do the same. Have your club secretaries take a few minutes each month and enter the information on line.

It is an honor to serve as your governor. You make OH4 the greatest district in Ohio, and I thank you for your efforts.

Yours in Lionism,
DG Wayne Christen

"IT'S GREAT TO BE A LION"

From Your First Vice District Governor - FVDG Michael Tyler

A Lions Reminder That We Do Good!

I'm thankful to serve as a Lion. The longer I am on this earth the more thankful I become for everyday. There are so many people on this earth with "attitudes" or "negativity" that only reflects their personal character. I want to be different. I want to think differently, and instead of everything going on right now, I want to provide hope as a Lion and as a human being.

We all know we help others as Lions but it's not until you see someone you helped some 20 years ago to how you truly find out you made a difference. I just happened to have a contact just like that last year at a car show. My club provided glasses for a kid 20 years ago and I was our Sight Chair to review our application to provide an eye exam and glasses to a young kid of only 8 years old. I remembered his name all these years but it wasn't until I was cleaning my classic car at a car show that I heard his name again.

I was cleaning my car when I heard "Lion Mike? You are Lion Mike right?". "Yes I am, I replied. He said his name was Matt and our club provided him with glasses at 8 years old. He's 28 years old now, still going to Law School but almost done, but couldn't thank me enough of his life changing new glasses at age 8.

We all change lives! And it's great to hear these little stories every once in a while to remind us we all make a difference. Stick with the Lions as you never know whose life you can make better.

District Governor Elect Lion Michael Tyler

From Your Second Vice District Governor - SVDG Tony DeLuke

SECOND VICE DISTRICT GOVERNOR REPORT- MAY 2018

This is my 10th report as District 13-OH4 2 Vice District Governor, IVDGe. On my Region 2 Visitation trail I have visited 25 out of 27 clubs. I visited the Northwest Canal Fulton Lions Club on April 12th, the Perry Township Lions Club on April 17th. Both of these clubs are very active and very well run.

I attended two Charter Anniversaries in April. On Friday April 26th the Wellsville Lions celebrated their 39th Charter Anniversary. The food was great and the Club had a lot to celebrate including handing out club awards. On Friday April 27th I attended the Alliance Lions Club's 75th Charter Anniversary. It was very well attended and also featured a Melvin Jones Award being presented.

I also attended the District OH2 Convention on April 14th in Sandusky, the District OH1 Convention on April 21st at the Findlay Inn, District OH 3 Convention on April 29th at the McKinley Grand. After going to 6 District Conventions I can honestly say District 13OH4 is far and away the best in Ohio!

We had a very successful and exceptional District OH4 Social at the Deerfield Town Hall for the District's Melvin Jones Eye Care Foundation. I was a little disappointed with the low club turnout and lack of baskets. For those that did not participate the food was exceptional and you missed out on a great auction. If you missed it there is always next years auction.

We had our District Spring Leadership on Saturday April 28th at the Alliance Middle School. The seminars and training were exceptional and there was icing on the cinnamon rolls (Your off the hook PCC Dave)!

Final note for this month's report on Saturday May 19th at the District 13 OH Convention in Columbus make sure that you come out to vote for our own District 13 OH4 Candidate, PCC David Gauch. PCC Dave really needs all the clubs in District 13OH4 supporting him and getting the delegates to the convention to vote for him! Let's do it for PCC Dave!!! It's Great to Be A Lion!!!

Yours in Lionism,

IVDGE Tony DeLuke

From the ID campaign trail...

It was nice to get a break from district conventions at the end of March and the beginning of April, but it was great to get back to attending conventions, too. We enjoyed chatting with Lions in Districts OH2, OH1, and OH3 in April and look forward to the same in District OH6 the first weekend in May. I appreciate the opportunity to talk about my campaign to secure the MD13 endorsement for international director at each district convention.

The MD13 Convention will be exciting and interesting this year. There is certainly more than the international director endorsement happening, but my focus is on that endorsement vote. I will have a few more opportunities to address the delegates and make my final points to try to secure enough votes to be Ohio's next international director candidate.

I hope that I have sufficiently demonstrated and communicated that I am qualified to serve as an international director, I am prepared to serve as an international director, and I am ready to serve as an international director. I have Lion Patti's full support and I hope that I have yours. Please consider my credentials and cast your vote for me in Dublin as Ohio's candidate for international director. I look forward to chatting with you many times and sharing more maple candy.

OUR FOUNDATION

Providing Disaster Relief

When disaster strikes, LCIF and Lions are often among the first to lend a hand. We address immediate crucial needs and stay for as long as it takes to finish the work. LCIF gives some comfort to those who have lost everything. But we need your support to be ready for the next disaster and to give victims perhaps the most important gift we can: hope for the future.

Support LCIF Disaster Relief Programs

LCIF has always been dedicated to helping communities impacted by disasters. Through the efforts of LCIF and Lions, communities affected by disasters receive the help they need and the assurance that they are not alone. You can be a part of the hard work being done by making a donation to LCIF disaster relief today. Your donation supports various disaster relief initiatives, including famine, refugee assistance, disaster preparedness and community recovery efforts.

Famine Relief

LCIF provides food, water and supplies to victims of famine in East Africa.

Refugee Assistance

LCIF supplies blankets, shoes, hygiene items and other supplies to refugees throughout Europe.

Natural Disasters

Disasters affect every area of the world. Lions and LCIF are often among the first to offer aid.

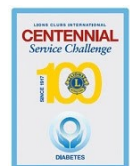

Disaster Preparedness

Diabetes Awareness Begins With You

Did you know that diabetes awareness and educational activities count as diabetes service projects? For example, your club can host a diabetes awareness seminar in your community. The **diabetes resources page** offers a wide variety of projects that you can do to help combat this global epidemic—and earn a Centennial diabetes patch. More than 23,000 diabetes activities have been reported so far in this Lion year. Your club can be part of the solution to this devastating disease, too.

Inspirational Book Spotlights 100 Years of Lions Service

Stories from the Heart, written by Past International Director (PID) Robert Littlefield, will help you gain a better understanding of what service has meant to Lions who have given back to make life better for those in need. According to PID Sangeeta Jatia, "Each story reinforces the fact that once you experience the power of serving another, you become a Lion for life." *Stories from the Heart* is now available for US\$23.99 through Club Supplies. US\$13.85 from the sale of each book will go directly to Lions Clubs International Foundation (LCIF) to support our global service. Pick up a copy for yourself or a fellow Lion, and share the inspiration!

Ode to a Lion

"Would you like to buy a ticket sir, there's just a few to go?
You ask sir what you're going to win; do you really need to know?
Be assured the prize is real and it's really worth the buck,
But tell me if you will sir, the last time you had any luck.

Well, we're raffling a dinner and a night in some hotel.
We're trying to help a local lad whose legs don't work to well.
It's possible you've seen him, in his wheelchair in the mall.
Young Sullivan, they call him and his smile is ten feet tall."

"Yes! I've seen him come to think of it, but why are you involved?
Don't we have Authorities to have this problem solved?
I mean, surely, surely there is someone, - why is it left to you?"
"Because you see we're Lions sir; it is part of what we do."

"Lions you say, I've heard of them; the sausage sizzle lot.
I've seen them at the local Fair; they seem to know what's what.
But while I buy these raffle tickets, of which there's quite a few;
Apart from running sausage sizzles, what else do Lions do?"

"That's not an easy question sir; its range is so diverse.
We often think we do it tough but there are lots who do it worse,
And if in some way we can ease their burden or their strife,
Well then the worlds a better place for someone's lonely life.

Of ourselves, there's nothing special and when all is said and done,
It's really us who benefit in camaraderie and fun.
We are not the good Samaritans who discard all luxury;
We are normal folk who go to work, or raise a family.

You see, as an individual, we don't have too much clout,
But get a few of us together and we'll really knock you out.
We come from many walks of life and thus combined as one,
Our talent is amazing but primarily aimed at fun.

We enjoy each other's company and we generate new friends,
And with Lions Clubs all 'round the world, this friendship never ends.
But what gives us satisfaction, and makes it all worthwhile,
Is the gratitude that we receive, and that great big beaming smile.

And we can join with other Clubs and form working relations.
We pool resources into what we call our Lions Clubs Foundations.
Now these we use for special concentration of our deeds
Such as Diabetes, Sight, Cancer, and lots of other needs.

You can't explain emotions, they're personal and deep;
And you can't explain indebtedness; it's something that you keep.
I wish I could convey to you the feelings deep inside
And the tears that well within your eyes that we call 'Lions Pride'.

I know you're thinking to yourself. 'What time does this consume?'
Well, Family first, next our welfare, then Lions if there's room.
I see you've finished writing, I'll pack up and close the lid."
"Well I would have bought more tickets but was absorbed in what you did.

I didn't realize just how much the community's in your debt."
"There's nothing owed to Lions sir, we haven't finished yet.
There's so much I could tell you, I could go on all week,
But they want to close the shopping mall and their looks are very bleak."

"We must meet up again sometime; I feel I've gained a friend"
"You have, in every Lion sir, on that you can depend.
But rather than restrict your thoughts on just my point of view,
I sooner you judge for yourself and see what Lions do.

I really would be honored if you'd come along and see;
And bring your wife along as well, the meals are on me.
Our Club meets at the local hall just down by Taylor Square.
At 7 o'clock this Tuesday night. - Oh, and you can buy more tickets there. "

March 2018

The Lordstown Lions club has voted and their next president will be the first female to hold the position for this club. Voting was held a few days ago and it was the unanimous belief of the membership that Lion Janet Krempasky should lead them through the next year.

Chartered in 1974 the Lordstown Lions have had female officers over the years but never a female King Lion.

Lion Janet has been an active part of the club for many years, working hard at Friday bingo as well as many other events through the years. Even Chairing several events before she was actually a member.

When asked for a quote, Lion Janet responded "it is an honor to be the first woman to hold this position but even more than that, it is an honor just to be a part of this club. Our Lordstown club has a long and rich history of helping not only this town but people around the world and I am looking forward to continuing this and moving forward with some new ideas from our membership. I want this year to be fun but also educational. We need to remind our younger members what it means to be a lion so when their turn to lead comes they will be prepared And our club will keep growing and accomplishing our goals"

Not only will she be taken over the everyday aspects of the club from outgoing King Lion Gary Luzadder, she now will help to oversee the building of a new clubhouse of which construction should be starting very soon. There will be many challenges in the year ahead for this growing club but Lion Janet has the overwhelming support of the members and plans to do great things
