### Health for Her

Donate Sanitary Napkins or Tampons Join New Voices as we join the fight to end 'period poverty,' or a lack of access to feminine hygiene products for financial reasons. Look for the donation bin in the exhibit hall to add your contribution of sanitary napkins and tampons. Donations will benefit Opera Cardinal Ferrari and City Angels, organizations that provide support such as food, clothing, and shelter to the homeless, migrants, and other fragile populations in Milan. Help Girls Stay Healthy & In School Over 1.2 billion women around the world do not have access to basic sanitation. Their periods are a challenge every month, disrupting their lives, careers, and education.

- In India, 70% of women in India say their family cannot afford to buy sanitary pads.
- Up to one in ten girls in sub-Saharan Africa miss school during menstruation.
- A survey by the charity Plan International UK found that one in ten girls or women aged 14 to 21 in Britain say they cannot afford menstruation products.
- The most recent Always Confidence & Puberty Survey reveals that nearly one in five American girls have either "left school early or missed school entirely" because they did not have access to menstruation products.

For many women, periods are a time of shame, embarrassment, and fear. Those that skip school during menstruation are left lagging behind their peers. Use of unsanitary alternatives to menstruation products leaves women and girls at risk for bacterial infections and other health complications.

## District Governor Michael Tyler June 2019

Lion Angie and I truly appreciate all the support we received this year from all of you. This year we tried our best to create a better future for our District, brought us into the 21st Century going "digital", and we are still working on strengthening some of our weaker clubs (Clubs with 10 members or less). In trying to build a better future I've included our incoming Governor Tony DeLuke and asked his thoughts on every move we've made this year. We really became a great team and we grew very close. We really made an impact too. Therefore, I am coming out and supporting our incoming District Governor Tony DeLuke this month.

District Governor Elect Tony DeLuke is going to be a great leader for us. He really cares about this District and everyone. DGE Tony received the highest honor I could give anyone as a District Governor with the International President's Leadership Award which was presented to him at our State Convention by incoming International President Dr. Jung-Yul Choi. Lion Tony is very humble but he really gets the job done and I wanted him to know how valuable he was to me this year. Some of our ideas we came up this year with will carry over into his year to create a better future of our District. I've even asked if I can stay assigned in a few capacities to help and he's agreed.

District Governor Elect Tony DeLuke has a great support staff in FVDGE Carol Snyder, and SVDGE Judy Young. Please show this wonderful humanitarian District Governor Elect Tony DeLuke every courtesy.

Thank you for all your support and a wonderful year,

**District Governor Mike Tyler and Lion Angie Taylor**

Special thanks to everyone that stepped up as a part of my Cabinet this year!

## DISTRICT GOVERNOR ELECT REPORT – JUNE 2109

This is my final report as 1<sup>st</sup> Vice District Governor. Where has all the time gone? I would like to "Thank" PCC Betty Robbins, PCC Dave Gauch, PDG Wayne Christen, DG Mike Tyler, and IVDGE Carol Snyder, 2VDGE Judy Young, CT PCC Paul Metrovich and CS Jim Ferritto and all the PDG's of the District for your teaching, Guidance, support and encouragement. This is a team effort and not an individual one! I'm ready because of all of you!

I'm down to one District Cabinet Position in filling my District Cabinet positions for the 2019-2020 Lions year and need your help in filling it. If you are interested in being on my Cabinet in 2019-2020 please let me know of your intent. I know that I need an **Alert Chairperson**. In the 3 years old new District 13 OH4 we have never had a person in that position. Out of 7 districts in the State of Ohio we are only 1 of 2 districts that doesn't have a person in this position. The only requirements are (3) State Meetings and (4) District meetings. In light of what happened in District 13 OH6 with all the tornados and the community impact that it had statewide I feel that it is very important to fill this position. Please step up and help the District in filling this position. If interested I have more information on the committee.

Upcoming events for the Zone Chairman is the State Zone Chairperson Training, the first one in Ashland on Saturday June 22<sup>nd</sup> at 9:00 am (registration 8:30) and on Saturday July 27<sup>th</sup> in Washington Courthouse at 9:00 am (registration at 8:30 am). This training puts you with other Zone Chairman from around the State of Ohio and gives you great networking opportunities. Also I will be in Ashland with you as we have a special District 13 OH4 session that day. I hope that you can attend one of these two Zone Chairperson trainings.

I will be travelling to Milan Italy on July 2<sup>nd</sup> - July 14<sup>th</sup> to start my Journey as your DG. I look forward to continuing what PCC Betty Robbins, PDG Wayne Christen and District Governor Mike Tyler has built. I believe in continuity move forward. My main focus is service, especially childhood cancer, Diabetes and Sight (including Pilot Dogs). We will also concentrate of Membership, Retention, Leo's Clubs and starting new clubs (especially branch & Specialty Clubs) and reporting membership & activities. This will be challenging as we convert to "mylion" app. Thanks to all the clubs for submitting their PU-101 on your new Lion Officers with updated meeting days, time and locations. "Ask One!"

Yours in Lionism,

IVDGE Tony DeLuke

## 2<sup>nd</sup> Vice District Governor Report – June 2019

Fellow Lions:

As I write this the clock is about to switch to a new date, and the Lions year is down to its last month. May has been busy, especially with the state convention in Dublin. The Lions attending had great fun with the theme of “Everyday Heroes”, starting with costumes and laughter. If you’ve seen the photos posted you know that District 4 was well represented by Super Man and Super Girl impersonators, with others as well. (I was even one of the costume winners!) But according to the theme, “our heroes wear vests”, so the days included service projects and business in addition to the fun. I wish you all could have attended!

Now we need to focus on serving our communities, turning in reports, and bringing in new members. More members = more service. It’s as simple as that. Congrats to the clubs that continue to grow, as they are a model for all of us. I hope many of you will consider adding to your financial service throughout the state of Ohio by donating to help those hurt by the recent tornadoes. I know that Ohio Lions are there, as I’ve heard reports from newly elected CC Lydia as we talked this weekend at our Super Weekend Vice Governor’s training.

So I keep on learning about leadership and I’m looking for district Lions to step up to lead in the years ahead, both for DGE Tony and myself. He will come back from Italy raring to go to start another great Lions year! I look forward to seeing many of you in summer activities and upcoming meetings. We Serve!

**Lion Carol Snyder**  
**IVDGE District 13 OH4**

Lion Kathy Ray, Zone 2 Chair, installs Painesville Lion Officers on 5/8/19. Lion Kathy is in the first row on the left. Next to her is King Lion Paul Hach and Tail Twister Lion Jenny Stepien. Second row is Baby Richmann; Lion Gena Richmann-2nd Vice President; Lion Beth Zanko-Treasurer; Lion Susan Knapp-1st Year Director; Lion Pam Richmann-Lion Tamer and Lion Ernie Richmann-Secretary and Membership Chairperson. Third row is Lion Dick Stadel-2nd Year Director and Financial Secretary; Lion Pat Carmody-LCIF Coordinator and Lion Kim Thomas 2nd Year Director. Congratulations to all the Painesville Lion Officers and Club members. You will make the Lions proud.

GOOD stands for Going On Or Defeated. The program is currently in its 24th year in the Willoughby-Eastlake School System. This is a Lions program and is conducted by the Willoughby Lions and the Willoughby Evening Clubs. The program has been supervised by District Governor Mike Tyler for the last 23 years.

Fourth grade students are selected by their teachers based on criteria established by the program’s founder Lion Ron Derry from Baltimore, Ohio. Lion Derry was a teacher and coach who was stricken with blindness in the prime of his life. The result of which is he channeled his grief in a program to help average students know they do make a difference.

The concept of recognizing students who are “just good average student that don’t cause trouble”. At an assembly of fourth graders, the two students picked from each fourth grade class are given an award certificate, t-shirt, and a \$5.00 gift certificate to Dairy Queen.

### Developing Local Partnerships

A good partner can help us do more than we can alone, but finding the right partner isn't always easy. That's why we've developed the resources to help your club find a partner who's right for you. When you download the Club and Community Needs Assessment, you'll discover how to determine your community's needs and identify opportunities for service. Then you will learn how to develop local partnerships that can help you do more than ever before.

### Bigger than Me

Big solutions often start with small ideas. Just ask Lion Nancy Messmer and her husband Lion Roy Morris of the Clallam Bay Sekiu Lions in Washington. Inspired by the life's work of a Seattle environmentalist, they helped unify the partnerships that form the Washington CoastSavers, an alliance of more than 1,000 volunteers who are dedicated to cleaning up the US Pacific Coast.

### Hunger: Lions and LCIF Serve Up Hope

What's for dinner? I'm starving." These are common phrases often uttered without even thinking. But for some, these are harsh realities. "Will there be dinner?" LCIF is empowering Lions to extend a helping hand to those who are going hungry.

**OLF DIASTER RELIEF EFFORT**

The Ohio Lions Foundation (OLF) has just assisted OH6 DG Lydia Houser by providing a major donation of Wal-Mart and Meijer gift cards for use by tornados victims. These cards will be distributed to the local Lions Clubs in the Dayton area that requested help. The clubs will then distribute the cards to the families needing food and clothing. This is the second such assistance that OLF has provided this current calendar year due to tornados.

If you are unsure of what OLF can provide to individuals or clubs, please see our website, [www.ohiolionsfoundation.org](http://www.ohiolionsfoundation.org) for a list of grants and scholarships. These are available to all Ohioans provided they meet the criteria for the individual grant or scholarship. If you have any questions concerning these services, contact your district OLF trustee as listed on the roster in the website. They are there to assist you.

Please consider donating to the Ohio Lions Foundation so that we can continue to provide Disaster Relief services along with the other listed grants/scholarships we provide. OLF is a 501-c-3 charitable organization, and as such, donations are tax-deductible. Individuals, corporations and clubs can make donations by writing a check payable to Ohio Lions Foundation and sending it to the Ohio Lions Foundation, P.O. Box 21016, Columbus, OH 43221. Use the memo line on the check to specify which fund the donation should be used for, e.g., disaster relief, Helen Keller Scholarships, OSSB Marching Band, etc. If you leave the memo line blank, your donation will go to our unrestricted fund to be used at the Board's discretion. Again, if you have any questions please contact your district's OLF trustee.

"As the youngest members of Lions Clubs International, Leos embody the best qualities of the organization. They are devoted young people who realize the power of action," said Jill Reitz, Zone 5 Chair.

"Together, Leos and Lions form a powerful partnership — one of mutual respect, where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who've successfully served the world for decades," she said.. The Brimfield Lions sponsor these active Leos.

We encourage all participants to consider joining the local service group of their choice as all groups are in need of additional members.

An information table will be available for all local clubs and service groups to dispense literature and membership information.

The motto of Lions International is "We Serve" and **The Canfield Lions Club** has been serving the greater Canfield area since 1978. The vision behind the "We Serve Canfield" Golf Scramble is to raise funds that will be returned to the community and to acknowledge the local businesses, professionals, service clubs and public service organizations that serve to make Canfield a great place to live.

- As all service clubs are struggling to attract new members a table will be available to all registered service clubs to provide membership information and literature.
- The Canfield Lions are also issuing a challenge to all local service clubs and organizations such as fire, police, and city/township workers and administrators to vie for the "Serving Canfield Cup" to be awarded to the lowest scoring "service club/service organization" playing in the scramble.
