## LCI PRESIDENT'S MESSAGE

### Leave No One Behind

One of my favorite aspects of being a Lion is the camaraderie I feel with my fellow Lions. I feel protective of them in some ways, and proud in every way.

I am especially proud of our women Lions, who have long been a force in our clubs. More than 30 percent of our members are women, and I want us all to make sure that number continues to grow. On March 8, the world celebrated International Women's Day. I can't think of a better day to give thanks for the women in our lives and in our association.

This is the perfect time to look around your community – and our global community – for ways your club may be able to better support women.

Statistics show that supporting women helps entire communities do better and giving them equal access to resources could help reduce world hunger by as much as 17 percent.

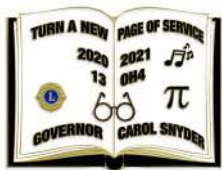

We live in an era of abundance. There is no reason anyone should be left behind. After all, we can't truly be a global community of Lions without each and every one of us.

Sincerely,

*Jung-Yul Choi*

## District Governor Report August 2020

### “Turn a New Page of Service”

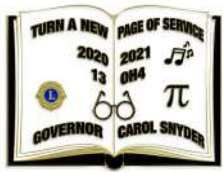

We have gone through a full month of the new Lions year, and I’m excited to see how our district Lions are dealing with the challenges facing them each day. As Governor I have been focused on Reconnecting with our clubs, one zone at a time. Your club’s secretaries and presidents should be hearing from me soon about establishing dates for my visitations, whether in person or virtual. I look forward to seeing all of you within the next few months. I know some clubs aren’t meeting, but it will be good to do some traveling before the cold weather hits.

My theme today: How “**R**” you turning that new page of service? As I mentioned in the last letter, the first step is to **Reconnect** with your members and communities. Many of you have been strong in this, never neglecting to make sure all your members feel involved and valued. Have you **Reminded** your community leaders that you are still there to provide whatever service they might need? (Club secretaries – remember to check with members to see if their contact info on LCI needs updating.)

To use a computer term, sometimes you have to “**Refresh**” because the connection appears to be lost, but it’s still there if you seek it. This may mean tweaking a project that has lost its appeal or isn’t possible because of restrictions. Maybe you just need to approach it in a new way. An example would be from my visit to East Liverpool Lions. They are working to find a new way to do their annual Christmas party for kids. I’m certain it will take place, just in a new way for their community.

As a district, we need to constantly **Revitalize** and **Rebuild** clubs that have lost some of their enthusiasm, sometimes through no fault of their own, having members lose jobs, move, or pass away. Our District leaders need to be aware of issues that can pull a club apart. We can **HELP**, so ask if you need it. Guiding Lions are one way. We have some great ones in our cabinet. LCI has some good resources that are full of suggestions as well. Look for “Your Club, Your Way” or “Blueprint for a Stronger Club” for example.

## District Governor Report July 2020

*Continued from previous page*

Do you need to **R**eplace something? I'm considering the outside work I've been doing recently. I had to replace a landscaping timber and will be putting up a new mailbox today. I'm sure not talking about your members being rotten!! But I had to buy new items that provide the same service as the old. Plus, they will be more attractive to others. Our clubs need to attract others to serve with us. So, we might have to **R**eplace our traditional way of carrying out a project or look for a new project to replace one for a time. In my recent visit I heard Chesterland Lions, for example, discussing how to best serve the elderly when they can't get into the nursing homes, and how to host their sports league with restrictions as to not spread the virus. Valid concerns, but I know they are up to the challenge.

Finally, I want to give you a "heads up" about the Ohio Lions week of service, with the working-title "**Fall into Service with Lions**", scheduled for October 4-10. There may be mention of this elsewhere in this newsletter and there will be more information coming soon. The Council of Governors want to revitalize our service and "put us out there" as a great organization to join and serve with. The key idea is for every Lions club in the state to plan, carry out, and publicize service that they will perform for their community. Put on your thinking caps and come up with fresh ideas, small or large!

Enjoy the season ahead of us, friends. It's warm, but I trust it will fire us up with ideas and service.

In Lionism,

## First Vice District Governor Report August 2020

Hello Lions of OH4!

I hope this newsletter finds you all safe and doing well during this unprecedented time. It has been difficult for us all, as Lions in general love to meet and plan engaging activities that are fun and serve their communities.

It is unbelievable that my year as First Vice District Governor has started with two BIG questions: “How to reach out to the clubs of OH4 during this pandemic time?”, and “How can we serve others and be safe?”

Let me share with you some ways clubs are using the technological world to serve. If you have not tried meeting via ZOOM or other platforms such as go-to-meeting or Google Hangout, then I suggest finding some adventurous Lion to help your club set a meeting up. It is a great way to keep in touch with other Lions in your club. I have attended a few meetings with clubs using these platforms and it has been amazing to see the joy in people's faces when they talk and share with each other. I personally like the in-person visits best but during this virus time this is a good method to get together safely. Clubs that are utilizing these methods are finding unique ways to still reach out and make a difference in serving their communities. If you own a smart phone it is easy to navigate through a virtual meeting. If you do not have a smart phone or computer this is the time to enter the new technological world. With a little practice, you'll get the hang of the process. Lots of world to explore through technology.

Now the question “How can we serve and be safe?” Well so far I have heard clubs share the following ways they have served during this pandemic. One club set up a Face Book appeal for hand creams. The result was 120 hand creams donated to 120 Front Line workers at their Assisted Living Homes. Several clubs have had food drives and done well. Clubs are still working with their local food banks. Clubs are still

collecting used eye-glasses. One club is helping to maintain the Welcome Signs on the roads leading into their community. There are ways to serve and still be safe as these clubs have posted pictures with their group doing service with “Masks”! We Lions can solve a lot when we work together!

By now many of you have taken trainings about your positions for the year. If not, take some time to visit MyLion. Once on the LCI website, check out the courses they offer to help all Lions learn about their positions. There are some great tips to help everyone be their best.

As the virus time begins to settle down a bit, I look forward to visiting your clubs in person. Until then feel free to send me an invitation to one of your club’s “virtual” meetings. I want to get to know you all as soon as possible as the year will go fast and be done in a blink of our eyes! Give me a chance to make a difference in your Lions’ Year.

Hope to see you all soon! Until then keep safe!

# Why MyLCI ?

## Club Officers Can:

- Maintain member names, addresses and phone numbers
- View and pay LCI statements
- Print membership cards
- Track club service activities
- Create club rosters and mailing lists
- Designate next year's officers
- Report monthly membership

## District Officers Can:

- View membership for district clubs
- View newly chartered and status quo clubs
- View reports such as "Monthly Membership Reporting History" or "Missing Club Officers Report"
- Prepare for club visits
- Set up and view: regions/zones/district officers and chairpersons
- View service activities for clubs in your district

## Help is here for Club Secretaries!

If you are a Club Secretary and you're having trouble using the MyLCI app to do your club's membership reports, or using the My Lion app, or have questions on all you need to do as a club secretary - we can help you!

Please contact PDG Michael Tyler at 440-975-0477 or cell 440-478-4535.

PDG Michael can help you through any questions you have regarding being a Club Secretary. Lion Sharon Hall is another great resource and available to help any Club Secretary at 330-385-3632 or cell 330-932-9356.

Please don't be afraid to pick up the phone and ask us for help. We are both very understanding and will take our time to help you.

We look forward to talking with you,  
PDG Michael Tyler

Fellow Lions,

As District 13 OH4 Global Service Team (GST) Coordinator, I would like to encourage all clubs and members to continue doing your service projects. WE SERVE!

With covid 19, there are some service projects that do not take that many members, but can help so many people. For example, we can go to local library book stations and help to wipe off and disinfect the returned books. We can participate in virtual events such as JDRF Walk for diabetes, or the Steps Walk for childhood cancer.

There will be a Lions “Week of Service” October 4-10. We need to have every club participate in this! It can be something little, or you can get together with other clubs and work on a large service project together. Clubs can go to LCI and input “covid 19” for service ideas. I will also attach a very good list of service ideas on the following 2 pages.

Please remember to report all your service projects such as helping with food distribution or vision screening. Remember just presenting a check is a service project that can go a long way and effect so many people. If I can be of any assistance to you or your club, feel free to contact me at [rmansfield9233@yahoo.com](mailto:rmansfield9233@yahoo.com).

Thank you for all you do,  
Roger Mansfield, District GST Coordinator

## 2020-2021 Peace Poster Contest

For more info contact District OH4  
Youth Chair, Lion Pat Bissler at:  
[youthOH4@ohiolions.org](mailto:youthOH4@ohiolions.org)

### Theme - "Peace Through Service"

Lions have provided an important reminder to the world that, through service, we can give and receive so much - joy, kindness, hope and PEACE. This year, young people have the opportunity to express their visions of peace through the lens of service.

Students ages 11, 12 or 13 as of November 15 are eligible to participate in the International Peace Poster Contest.

Kits can be ordered through Club Supplies.

Please consider sponsoring a Peace Poster Contest in Your Local Schools.

## Notice To All District OH4 Lions

Please read the next 2 pages closely and then take action!

Help Lion Ernie Richmann surpass his \$5,000 goal.  
(Currently at \$2,740 with 34 team members.)

A summary of key points:

- Register for the team at the website and join Ernie at the walk
- Attendance at the Oct 11 walk is not required to be on the team
- Other options are:
  - \* Go to the website and register as a virtual walker and walk near your home
  - \* Go to the website and make a donation
  - \* Go to the website and “share” to let others know of this great event

A great opportunity for you, family and friends to support a great cause and enjoy a stroll on hopefully a beautiful fall day.

A great opportunity for your club to enjoy an outing together or to make a donation as a club.

Tina is more Soft Serve than We Serve.  
But, her master would love to have a few more  
Lions support the Lions District 13 OH4 JDRF  
Walk.

**Help Lion Ernie reach his goal of having 100 walkers representing Lions at the JDRF walk.**

Ernie welcomes all Lions from all districts, Lion family members (including children) and Lion friends. Even if you cannot attend on walk day, you can still be a virtual walker.

Visit the website below for more information, to signup, to donate, or to share on Facebook.

**A great opportunity!**

Help support District Diabetes Chairperson **Lion Ernie Richmann**, Painesville, in his quest to **Put and End to T1D, One Step at a Time**. Join Lion Ernie's "Lions at Akron-Cleveland Team" for the walk. Or, sign-up as a virtual walker.

For more information, to donate or to sign-up go to:

Contact Lion Ernie at: [erichmann49@yahoo.com](mailto:erichmann49@yahoo.com), or call him at: 440-668-8310, leave a message and he will get back to you.

**JDRF Walk**  
**Sunday, October 11, 2020**  
**Cuyahoga County Fairgrounds in Berea**  
<http://www2.jdrf.org/goto/OH4Lions>

In this one day we can make a difference to over 200,000 children in the US who have Type One Diabetes. Some effects of diabetes include diabetic retinopathy which can lead to blindness, heart disease, kidney failure, neuropathy, and death.

It is one day but it is urgent to prepare now. Go to the website and register for the walk. There is an option to be a virtual walker so the trip to Berea is not mandatory. Donations are recommended but optional. Once you register, the event can be shared to Facebook.

The walk is open to all ages- Lions from all districts, families, friends are all welcome to walk.

Check-in: 8:30 AM

Length of walk: 2.3 miles/ 1.3 miles or just come and be with the Lions Team.

**100 Walkers Needed**

When I was asked to serve as diabetes chair, I wanted to do much more than collect the diabetes donations as part of the Parade of Checks. Right now, I am focused on the JDRF Walk. I can't do this alone and I am trusting that Lions will register for the walk. Ernie

**What can I do to persuade you to register for the walk? I am asking for your help.**

Right here, right now! Go to <http://www2.jdrf.org/goto/OH4Lions>

Help turn type one into type none.

## Important Announcement Concerning Training For Vision Screeners in Schools

Changes to Ohio law require that all persons participating in school vision screening of **kindergartners and 1st graders** must be certified by completing 3-4 hours of online training. There are no changes from recent years for those screening 3rd graders and above.

- Training is conducted online with 5 training modules:
  - Course ID 1015273
  - Course ID 1028321
  - Course ID 1055521
  - Course ID 1028320
  - Course ID 1079367
- The training modules are opened at:  
**[www.train.org/main/welcome](http://www.train.org/main/welcome)**.
- You will need to set up an account the first time that you go into the site.

You will not be able to participate in screening kindergartners or 1st graders until you complete this training.

***Contact your local school district for information on when and how schools will be opened this fall, and details on if and how vision screening will be conducted.***

## First-ever Research Network Tackles Diabetic Foot Complications

Up to 34% of people with diabetes will develop a foot ulcer in their lifetime, and half of foot ulcers become infected. Each year, about 100,000 Americans with diabetes will lose part of their lower limb because a foot ulcer becomes infected or does not heal. The Diabetic Foot Consortium (DFC) aims to lay the foundation for a clinical trial network to test how to improve diabetic wound healing and prevent amputations among the 27 million American adults with diabetes.

“People with diabetic foot ulcers have to manage careful at-home foot care over a long time to avoid infection until the wound heals,” said Dr. Teresa Jones, NIDDK’s project scientist for the consortium. “This consortium will address a major research gap in finding ways to effectively treat diabetic foot ulcers and to prevent the risk of complicated infections and potential amputation.”

Funded by the National Institutes of Health, six U.S. research institutions are launching the first-ever multi-center network to study diabetic foot ulcers. Participating centers are University of Michigan at Ann Arbor; University of California, San Francisco; Stanford University, Palo Alto, California; University of Miami Miller School of Medicine; University of Pittsburgh; and Indiana University, Indianapolis. The University of Michigan also serves as the data coordinating center for the study. Biomarker analysis will be conducted by the Indiana University and the University of Miami.

Mr. Donnell Hayes participates in a Diabetic Foot Consortium biomarker study at Indiana University.

The first studies will focus on finding biological clues, called biomarkers, in people with diabetic foot ulcers that can guide treatment and predict how the ulcer will heal and the likelihood of an ulcer returning. “Finding biological clues from these ulcers to help tailor treatment to the individual will provide much-needed relief and could prevent future diabetic foot injuries,” said Director Dr. Griffin P. Rodgers.

## Club Reports

Lt. Mike Lewis and Chief Nick Shearer from the Kent Police Department talked to the **Kent Lions Club** at their July 16 noon meeting. The meeting was held at an outdoor pavilion at Plum Creek Park in Kent. The Lions brought their own lunch and hand sanitizer, wore masks and maintained social distancing,

Chief Shearer and Lt. Lewis took turns discussing policing in Kent in respect to today's world. They discussed how the KPD meets 25 of 28 recommendations to policing reform as laid out in a 2015 report by the Obama administration. One area mentioned where the recommendations were not met is in diversity. With 1 black and 6 female officers the KPD is not quite in line with statistics on the general population. With Kent having a diverse population and being a favorable place to live, and compensation at a reasonable level, it's not fully understood why the police department isn't attracting a greater diversity of candidates.

"Use of force" was discussed. KPD has very tight standards on the use of force, with even occurrences such as just drawing a weapon or restraining a suspect by using handcuffs being classified as uses of force. Even so, there were just 73 cases last year with all having been investigated.

Goals of the KPD include improved community relations with an effort to increase awareness and attendance at the citizen police academy with the next class starting February 2021. They are considering the use of bodycams, but cost is an issue. A 2016 quote was for over \$225,000 for a 5 year contract.

A very worthwhile presentation. Something that all clubs could consider doing with their local police force given the current environment.
