LCI PRESIDENT'S MESSAGE

Service From The Heart

Greetings Lion,

I learned very early on about the importance and power of community. In Brooklyn, we work together and support each other to make life better for everyone. And that's why Lions has always felt like a family to me—like my home. Because for Lions, helping others is more than what we do. It's who we are. And we give our "Service from the Heart." That is the message I want us to share with the world.

We have a vision to make a better world for all people. That vision begins with us at home in our communities. Our safe service is helping so many people, so let us continue to be guided by our hearts and to move our communities forward. Let's live out who we say we are. Let's show the world what it truly means to have the heart of a Lion.

It is a great honor to be your international president. And I promise I will serve you with all my heart.

Yours in service,

Douglas X. Alexander
International President,
Lions Club International

LCIF.ORG | A letter from your chairperson

Dear Lion,

Welcome to a new Lion year. I am thrilled to be starting my new role as chairperson of LCIF and look forward to what accomplishments the year will bring. We are now in the final phase of [Campaign 100](#) and are making history with LCIF's largest fundraising initiative to date. Let's continue to build on that success as LCIF supports Lions in one of the biggest come-backs the world has ever seen. As we work hard to move past COVID-19 and continue to support our Lions in the areas of vision, youth, disaster relief, humanitarian, diabetes, childhood cancer, hunger, and environment, let's remember why we do it. We do it because we have a world in need. There are people in every corner of this earth depending on Lions. Depending on LCIF. Let's make this the most successful year yet!

Sincerely,

Dr. Jung-Yul Choi
LCIF Chairperson

LCIF.ORG | A letter from your chairperson

Fellow Lion,

Last week, multiple countries in Europe experienced historic flooding receiving two months of rainfall in the space of two days. Thousands of Europeans have been displaced from their homes, over 100 confirmed dead, and many more missing.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation.

LCIF is mobilizing funds including a US\$100,000 major catastrophe grant to Lions to deliver flood relief throughout Europe, with more grants currently under review to be distributed. The grants will help provide immediate assistance to children, families, and communities suddenly struggling with everyday needs...struggling to remain safe.

You can help. Your generous donation to LCIF's disaster relief fund will help deliver further funds to families impacted by the devastation. To make a donation, go to:

Thank you for your kindness and for working together with LCIF to rebuild lives.

Sincerely,

Dr. Jung-Yul Choi

District Governor Report August 2021

Hello Lions of OH4! This first month of our Lions' year sure has been filled with many activities within our Lions' family. Our big event was the celebration of IPDG Carol Snyder's year. It was a great day of fun, learning and visiting with Lions from all over the district, and we had perfect weather. Over 100 Lions and Leo's attended to hear about some non-contact service activities that have made a BIG impact this year in communities. Lion Bill Bissler from Brimfield updated us on the things we all learned using technology to stay in contact with each other as well as keeping us visible. Finally, I had the opportunity to share the goals with the OH4 Leadership Team and contributing clubs developed this spring. Lions Clubs International has developed a process of Building a Vision to help each District and club grow in Membership, Service and Leadership. As we travel down this Lions' year together, we will learn & master the process together.

It has been a busy July since assuming the leadership role as District Governor. Many of the clubs of the district are engaging in community impact projects with precautions. I am so happy to see the Lions of OH4 busy making a difference in the lives of others. By doing activities that impact your communities, you become visible! Visibility brings more project needs to our attention, helps to retain members wanting to serve, and presents opportunities for a local club to grow in membership. As you can see by the Governors Pin for 2021-2022, the theme of OH4 this Lions' year of 2021-2022 is "Visibility thru Service from the Heart". Let's work together to increase our visibility thru service, then report the great things we do on MyLion and within our communities media resources.

As we begin the new Lions Year, each club has the hope of returning to normalcy. One way to plan for that happening is to consider doing a club assessment of the memberships strengths and resources, and identify the bumps in the road that exist. This can be done with the materials your Zone Chairman will share with you soon. You will be receiving some membership building publications that are made possible by your LCI dues. These resources are also available at the LCI

website. Once on the website you would “simply” click on the Resources for Members. At that time under Members resources on the left are the words Resource Center. Once you click on that tab, a wealth of information will appear. One can simply scroll through the titles or refine a search by clicking on the titles like Membership Development, Insurance and more. There are resources you can download or print for your use until the hard copies arrive from your Zone chair. This website is also a result of your yearly membership dues to Lions Club International. Please utilize this site to help set GOALS for your clubs in the areas of Service, Membership and Leadership. Consider contacting any of the Global Action Team “GAT” members of OH4 for help. The GAT team consist of our NAMI Champions IPDG Carol Snyder & Jeff Snyder, GMT Tony DeLuke, GST Roger Mansfield, GLT Mike Tyler, SVDG Janet Cristen, DG Judy and our Zone Chairs. Setting goals and an action plan for your club will provide a roadmap to help revitalize your club throughout the year.

As we enter into August to serve and be active, I want to share this thought from Henry Ford: “If you do what you always did, you will get what you always got”. This year we are all challenged to find new ways to motivate our members to engage with each other and our communities. We will still use technology and continue to learn new ways to reach out to each other. We will also reconnect with our past practices with comfort! We will grow as an organization and attract younger members in service. How will your club help the District of OH4 reach this goal and others found in our directory? These goals have also been provided to each GAT member, so please ask to see them! The answer to the question rests with each Lion, Club and Leader in our OH4 District. How will you respond?

Have a great month!

Lion Judy Young

Second Vice District Governor Report August 2021

Lions of OH4:

Since the last newsletter, I have been keeping busy with trying to schedule the clubs in Region 2 for visits, attending IPDG Carol's celebration and Governor Judy's Mini Cabinet meeting.

I am still involved with The Melvin Jones Eye Care Foundation as a zone promoter, though that position will be taken over by Tom Kirkbride from the Lisbon Lions Club.

Sadly, the Wellsville club turned in their Charter at the end of June making it more important for all clubs to bring in new members. The Ohio Plan really does work and PDG Wayne Christen, PCC Paul Metrovich or I, are always ready to talk about the plan.

By many accounts, IPDG Carol Snyder's 2020~2021 District OH4 celebration on July 10 was a great event.

If anyone wants to send additional photos and write-ups, they will be published in next month's newsletter.

District Governors of MDI3,

We are gearing up for a new 2021-2022 Lions Year. We are going to work on creating an Ohio Lions GMT Membership Manual for all the Clubs in Ohio to use as a resource for Membership Recruitment in 2021-2022. I want each District GMT to review the manual and note anything that is missing that your District is using. July and August 2021 look to be very busy months. We are 3 weeks into 2021-2022 and our push to recruit new members. Things are starting to open. Now is the time for putting your plans into action for recruiting new members for 2021-2022.

The premise is to use “Just Ask”, NAMI, The Ohio Plan, or other means by which to generate new members. We need to add branch or specialty clubs, new clubs and help our remaining Lioness Clubs to transition to another club or a branch club. The last remaining Lioness Club in District 13 OH4 transitioned into a Branch club in July. It's not too late to take advantage of the \$35 new member fee waiver which is extended to 12/31/21. I hope that we do this throughout this Lions year. Please share your input and thoughts.

The State GAT Committee has met twice already, with CC Kerry joining us this month. It's very important for all committees to work together. Communication is key for our success. This has been lacking in the past. I hope that the District GMT vacant position is filled along with any NAMI Champions. We will be meeting prior to the COG meeting.

The Membership Awards for 2020-2021 are out to all the districts. A lot of time and effort goes into the State Awards and a lot of hours. Membership isn't easy. But we have to get over our fears of asking someone to join Lions. Just imagine what being a Lion has done for all of us. Why shouldn't we want to share this feeling with friends and family and other people that are in our lives. Go Ohio Lions!!

Tony DeLuke -MDI3 GMT Coordinator

I would like to encourage all the clubs of District 13OH4 to start planning for the *FALL INTO SERVICE WEEK* of October 10th - 17th.

I would like to get at least 50-75 percent participation from the clubs. Be sure to report your service activities to MY LION.

I ask that clubs report their projects and meetings in MY LION monthly.

I am encouraging clubs to start or continue doing plastic bag recycling for the TREX bench community program. If you need assistance, please reach out to us.

I encourage clubs to participate in the diabetes walk and the child cancer STEPS walk. The District Team diabetes walk will be September 25, at 11:00 AM, at Camp Ho Mita Koda in Auburn Township. The District STEPS walk will be October 3, at Wingfoot Lake State Park in Suffield. The 5K run/walk starts at 10:00 AM. The 1 mile walk starts at 10:30. Additional information on these events is available towards the end of this newsletter.

We are hoping to get service projects started at zone meetings and cabinet meetings as well

Thank you,

Roger Mansfield

A repeat from July as some ideas (for August) are still applicable!

While looking at a “calendar of celebrations”, it dawned on me that there are a number of celebration days in July and August that clubs could use to build an event or project around.

For example, July 3 is plastic bag free day. This was probably done to encourage you to take reusable bags with you on your shopping trips. But as a club, you could use it to start or build on a plastic bag collection day in the Trex recycling program.

July 14 is Mac and Cheese day. Clubs could start a program to collect mac and cheese (along with other food items) for donation to a food pantry.

July 18 is national ice cream day. So, organize an ice cream social for your community or to honor your local first responders.

August 4 is chocolate chip cookie day. Donate cookies to first responders or senior centers.

August 9 is book lovers day. Collect and donate books to schools, senior centers or nursing homes.

August 14 is national garage sale day. Organize a community garage sale.

August 21 is senior citizen day. Do something special for the seniors in your community or at a local nursing home.

Every month has some celebrations we can build on to make someone else's life a little better. If each club picked one or two of these celebration days to act on, think of all the additional service we would be doing within District 13 OH4.

Thank you,

Roger Mansfield
District 13 OH4 GST

The 2021 JDRF One Walk Will Be Virtual Again - But District Walk is Live!

“JDRF has decided to keep the event virtual this fall out of an abundance of caution for the high numbers of children that attend our events. We are keeping in mind that we serve a vulnerable population and the fact that vaccines aren’t available for children has made JDRF air on the side of caution. We are encouraging folks to get together with their family and friends and walk while taking video and pictures, and we will include them in a celebration/thank you video. We also have partnered with Cedar Point, and every team that raises \$1500 after June 2nd will get 4 free tickets to Cedar Point where you could hold your own little walk as well.”

Great News! Our District Team Walk will be at Camp Ho Mita Koda, 14040 Auburn Rd, Newbury Township, September 25, beginning at 11:00 AM. Refreshments will be provided, as well as a light lunch following the walk. We hope you will join us. But, no matter where you walk, you can support the District Team by signing up and/or donating. You can further support the team by posting our walk details on your social media pages.

Funds will support diabetes research. To learn more go to: <https://www.jdrf.org/impact/research/>

Our team is walking to end type 1 diabetes (T1D).

When you have T1D, your body stops producing insulin—a hormone essential to turning food into energy. Managing the disease is a constant struggle that involves monitoring your blood-sugar level, administering insulin, and carefully balancing these insulin doses with your eating and activity just to stay alive.

With T1D there are no days off and there is no cure, yet. But there is hope.

So, will you join us and help make a cure a reality? Your fundraising or donation not only changes lives for people with T1D but will change your own life too. The inspiration and fun you experience on walk day will stick with you, and the pride you can take for your role will last a lifetime. Thank you for your support.

A MESSAGE FROM OUR GENERAL CHAIR

The Planning and Host Committees are getting excited as the USA/Canada Lions Leadership Forum is only 6 weeks away! Personally, I am like a child at Christmas - bursting at the seams in anticipation of sharing the many informational, inspirational, and innovative features of the #LionsForum2021 experience with you!

Please take a moment to review the latest pre-registration and COVID-related information below. The Forum is designed to be most impactful as an in-person event, and we will not be having a virtual component. We want you to feel comfortable and safe as we gather with like-minded Lions, and I DO hope you will join us in Des Moines or consider attending in the future. However, there are already several excellent online learning resources if you are not ready or able to attend in person.

In leadership, friendship, and service,

Wendy Cain

Registration Deadline Extended

Due to the uncertainty of border restrictions, the Executive Committee approved extending **the current registration fee of \$320 until August 15.**

After that date, the registration fee increases to \$345, but more importantly, you are not guaranteed to be able to get a hotel room. Contractually, we must release unused hotel rooms after that time, and we've recently learned that there is a country music concert in Wells Fargo Arena (adjacent to the Iowa Events Center), and the Iowa-Iowa State football game (in nearby Ames). We expect this will create a higher demand of Des Moines hotel rooms for Saturday night.

COVID-19 PCR Testing and Current Protocols

To facilitate travel requirements, the Forum is arranging on-site COVID testing at the Iowa Events Center on Friday Sept. 10. Results will be provided within 24 hours, and additional details for scheduling and paying for appointments online will be provided in the next update.

The Forum will follow safety protocols in effect at the Iowa Events Center:

1. Face coverings are NOT required for fully vaccinated individuals (shots completed at least 14 days prior).
2. Face coverings ARE required for individuals NOT fully vaccinated.
3. As recommended by the CDC, it is recommended that masks be worn in large gatherings.
4. Hand sanitation stations will be available throughout the Iowa Events Center.

Note: These are subject to change according to state and federal revisions.

The 2021 Strides event at the Forum is going to be different this year! Instead of a traditional group “Walk”, we are having a Scavenger Hunt with activities that can be completed throughout the Forum weekend. This has allowed us to move forward in our planning with participant safety and uncertainties around COVID and large/close groups in mind. Registered participants can pickup their shirts Thursday morning, and there will be a short informational kickoff.

NOTE: Lunch will NOT be provided as part of Strides this year, but healthy snack packs will be available for those who registered. This prevents food handling and distribution concerns, and allows us to keep our expenses lower so that more of the fee can be contributed to diabetes programs.

The USA/Canada Lions Leadership Forum is excited to partner with Camp Hertko Hollow, the beneficiary for 2021 Strides funds raised. Camp Hertko Hollow, a 501(c)3 not-for-profit entity, is a member of the Diabetes Education and Camping Association (DECA) and is accredited by the American Camp Association (ACA). It's mission is to:

- Provide an educational and recreational camping program for Iowa's youth between the ages of 5-17 who have diabetes.
- Promote diabetes management skills.
- Help children gain independence and develop a positive attitude for controlling the disease.

Since 1968, Camp Hertko Hollow has provided a positive camping experience for over 15,000 children with diabetes. Campers are predominately Iowa residents, however, it has a regional reputation of being a very well-run and fun diabetes camp. In 2019, 275 campers came from 130 towns across Iowa as well as 47 campers from other states: Wisconsin (3), Texas (1), South Dakota (5), Missouri (11), Nebraska (11), Minnesota (1), and Illinois (15).

The cost to attend the week-long camp is \$650. However, the true cost of the program exceeds the fees charged; the actual cost of summer overnight camp is almost \$1,300 per camper. The generosity of families and other donors makes Camp Hertko Hollow a reality. No camper will be turned away due to an inability to pay. The goal is to be able to offer every child living with diabetes in Iowa the opportunity to attend Camp Hertko Hollow, regardless of their financial situation. Financial assistance is available for those who cannot afford to pay the full fee.
