LCI PRESIDENT'S MESSAGE

The Secret of Service

Dear Lions,

For my first message to you in LION Magazine, I want to talk about the small things. When Lions Clubs International was started more than 100 years ago, it was founded on the idea that those who can help, should. It was that simple.

I grew up with those same values. I was raised in Brooklyn, where most families worked hard and came home tired at the end of the day. But, they saw the value in supporting one another. They knew they were stronger together. And, they knew that as tired as they were, or as steep as their own struggle seemed, they still had something to give. So, they did.

It's so easy to make a difference. That's the secret that so many Lions already understand and what I wish more people knew. You don't have to end all suffering for humankind—not on your own. But, you can ease one person's struggle. You can pick up their bag and carry it for a while. And, when you think of service in little moments like this, it becomes easier to see just how many ways there are to give back. And, it gets even easier when each one of us invites a new member to join our club. That gives us more helping hands. And more service from the heart.

I know we are all busy, and we all have heavy loads—these days especially. But, remember that the small things you do as Lions are as important as the big things. The way you serve may look different than how I serve or how your buddy down the street serves. And, that's a good thing. That gives us balance and diversity. That makes us Lions.

I am honored to embark on the next year as your International President and look forward to serving from the heart with you.

Sincerely,

Douglas X. Alexander

District Governor Report September 2021

Hello Lions of OH4!

It's so good to see our clubs carefully returning to serving in their communities. Many clubs of our district are engaging in community impact projects with precautions, busy making a difference in the lives of others. By doing activities that impact your communities, you become visible! Visibility brings more project needs to our attention and helps to retain members wanting to serve. Visible service provides the opportunity for a local club to grow in membership too!

Here are a few projects our Lions are working on currently. Brimfield, Calcutta, Canfield, Poland & Randolph are just a few of the clubs in the district that have obtained benches for their community parks with the TREX program. This is a great no cost project that benefits our environment and helps each community with a nice comfy bench to sit upon. Reach out to GST Roger Mansfield for information or Trex.com to find out more. The Chesterland club engages the youth of their town by coaching and sponsoring youth football and cheerleading for the kids. Chesterland's Safety Town activities that prepare the kindergarteners for bus and traffic safety are being held again after going on hold last school year. There is so much happening in our communities! Let's keep serving with our hearts and continue to do so with precautions as we serve!

Throughout the new Lions' year, the district team is challenging each club to evaluate how things have changed with the pandemic. Please consider doing a club assessment of your clubs memberships strengths and resources, and identify the bumps in the road that exist. Then talk about them as a group and set some goals for growth for this Lions' year. Setting goals and an action plan for your club will provide a roadmap to help revitalize your clubs purpose throughout the year. Keeping abreast of the technology challenges and gains through the past months will provide stepping stones for future skills. Remember to also use the resources your

zone chairmen has provided to help you with this process. If you need help, reach out to the district team or your zone chairman for additional assistance.

October brings back the State of Ohio's Fall into Service week, the week of October 10-17th. Plan on doing some type of service project "visibly" in your community. Take pictures and wear Lions gear to let others know who you are while serving. Then post your pictures and story on your personal Facebook pages, community Facebook pages and the local papers to let everyone know that "You Serve". Finally, don't forget to take the time to report your activity on MyLion. Let Lions Clubs International know you are serving in your community.

Want to know about leadership? Have you thought about stepping up in leadership in your club but do not know where to begin? Well, Ohio Lions is sponsoring a weekend of leadership training November 13 – 14 at Mohican State Park. It's a great time to not only get some training but a great way to meet Lions and make friends with others from all over the state. Check out the application in this newsletter.

Thank you Lions for your service to your communities!!! Continue to be active serving in a safe way, during this pandemic time!

Have a great month!

Second Vice District Governor Report September 2021

Lions of OH4,

Since the last newsletter, I have been busy visiting clubs in my region and scheduling the rest in the near future. I was in Columbus for the Council of Governors meeting in August, and have attended many zoom meetings, not my favorite way to communicate.

I am still part of the Melvin Jones Eye Care Foundation as a co-zone promoter. I work the food bank once a month, attend my own club meetings and babysit the grandkids as often as possible. They will all be in school this fall, so I will miss them except for some after school pick up & visits. I will be able to volunteer at the school this year (as of right now) and will look forward to doing that in kindergarten, 3rd & 4th grades.

Guiding Lions make a difference.

Lions of OH4,

It's no secret the pandemic has taken a great toll on America. And, it's safe to say Covid has probably touched everyone in some manner. Even if you personally were not sick, your life has been impacted. The same can be said for organizations throughout the country and the world. It's not hard to find references to attendance and memberships being down in everything from Boy Scouts to sports teams, from churches to service organizations, from schools to vacation destinations.

Lions Clubs are no exception. Some Lions may have been reluctant to participate in activities. Some clubs may have slowed or even stopped their normal Lions' activities. Lions may have dropped from the roles due to the inactivity. Some clubs may have closed because of the pandemic.

What does all this mean as we slowly recover from the pandemic? For one, it means there is a lot of work to do to rebuild membership. The first place to look is at inactive members. We need to reach out to those who have backed off and find out why. They may reveal some easy fixes for your club that would bring them back.

To attract new members, we need to use some of the tools we already have such as The Ohio Plan, NAMI and "Just Ask". The new Ohio Lions GMT Membership Manual is also now being released. Your club will learn of this soon if you haven't already. These methods work. For example, the Kent Lions Club used The Ohio Plan to invite five people to a steak fry / introductory meeting in July. Six Lions gave short talks on Lionism, Lion and club history, club activities and club service. In August four of the five invitees were inducted into the Kent Lions.

Your community has many people who are interested in service to the community, but maybe are unsure how to get started. If you show them what you do, they may see the match for what they have to offer. If your club has been active during the pandemic, get that word out to the community. If your club has slowed down during the pandemic, it's time to get going again. Reach out to community leaders to see where help may be needed. Reach out to your club members to see what ideas they have for service or what they might be interested in doing. Remember, if a club member has an idea and runs with it, they will be more engaged, and it may lead to a new community service or club activity that will grow with the club.

The time to act is now. People are tired of being stuck at home. Give them the opportunity to return to the community in a productive manner. But remember, there will be competition as other organizations act to rebuild. Paint the best picture you can of your club and use it to up your membership.

Tony DeLuke -MDI3 GMT Coordinator

I would like to encourage all the clubs of District 13OH4 to start planning for the *FALL INTO SERVICE WEEK* of October 10th - 17th.

I would like to get at least 50-75 percent participation from the clubs. Be sure to report your service activities to MY LION.

I ask that clubs report their projects and meetings in MY LION monthly.

I am encouraging clubs to start or continue doing plastic bag recycling for the TREX bench community program. If you need assistance, please reach out to us.

I encourage clubs to participate in the diabetes walk and the child cancer STEPS walk. The District Team diabetes walk will be September 25, at 11:00 AM, at Camp Ho Mita Koda in Auburn Township. The District STEPS walk will be October 3, at Wingfoot Lake State Park in Suffield. The 5K run/walk starts at 10:00 AM. The 1 mile walk starts at 10:30. Additional information on these events is available towards the end of this newsletter.

We are hoping to get service projects started at zone meetings and cabinet meetings as well

LCIF.ORG | A letter from your chairperson

Dear Lion,

As you and other Lions continue helping the world come back from the pandemic, Lions Clubs International Foundation (LCIF) is there to support you in serving your community's needs. To help Lions protect medical staff in India, help children learn coping skills in Chile, provide food and water to those left homeless by floods in the USA, and more, LCIF awards grant funding empowering you to make the greatest impact. The latest LCIF newsletter is full of these stories and with opportunity to share your own service made possible by LCIF. In reading the newsletter, I know you will feel inspired and motivated to act. Thank you for supporting LCIF and Campaign 100 through a donation or pledge and by spreading awareness. I encourage you to be a champion of our foundation.

LCIF in Action: Haiti

We all know that where there is a need, there is a Lion. The recent earthquake followed by a hurricane in Haiti is a humanitarian disaster that makes us all say, "What can I do to help? What can my club do to help?" Even though most want some active way to provide relief to those suffering, the best possible thing we all can do is this: Donate to LCIF.

Because of generous donations by Lions, Lions Clubs, and others, LCIF is there to support Haitian Lions and their communities in this time of need. LCIF had mobilized funds including a \$100,000 major catastrophe grant to Lions to deliver relief in Haiti.

When you donate to LCIF, you make these grants possible and these funds can then provide clean water, food, shelter, and clothes to those suffering quicker than a local supply drive could manage. Please consider donating to LCIF and encourage your friends and family to support LCIF's disaster relief efforts.

Campaign 100 Update

This is the final year for Campaign 100, which was extended after many of our fundraising efforts were sidelined by COVID-19. The good news is that donations continue to gain ground and Constitutional Area I (USA) has raised \$32.4 Million as of 7/26/21.

Our district continues to make progress with our own Campaign 100 goals. I thank those individuals and clubs who have already donated and hope you all will plan to include LCIF in your planned giving this year!

Does your Club have an LCIF Club Coordinator?

One of the newer club officer roles may be overlooked by many clubs, especially in smaller clubs. But, this role is an important one, and there are a variety of ways to determine who should be serving in this leadership role in your club.

The club's LCIF coordinator serves as an ambassador for LCIF and shares stories on LCIF programs, motivates others to support LCIF, and enables the foundation to advance its humanitarian work in your community and around the world. The Club LCIF Coordinator is nominated by the club's nominating committee, elected as a member of the board, and serves a one-year term. Individuals may be nominated to serve additional terms on an annual basis. The Club LCIF Coordinator works closely with local Lions leadership.

In my Club, our immediate Past President serves as the LCIF Club Coordinator. In other clubs, the members select a leader who plans to serve in the role for several years for continuity. I would love to

hear how your clubs select Lions for this important position and I look forward to communicating with these leaders over the next year.

If your club does not currently have a designated Lion in this role, I will plan to communicate to your Club's secretary.

Did you know a percentage of your Amazon purchase price can be donated to LCIF? Simply do your shopping through smile.amazon.com. Same great products, same great prices, same services you know and love about Amazon. Just enter LCIF as your charity of choice, buy your products, and you're done! There's no additional cost to you. Go to smile.amazon.com for more details.

As of today, my shopping has generated \$32.54 for LCIF, and overall our foundation has received \$14,682.69 as of June 2021. Way to go Lions!

LCIF Grant Highlights

Each month I will be highlighting the various grant types available through LCIF. These grants are made possible by our contributions to LCIF's Campaign 100. This month, let's take look at the Childhood Cancer Grants:

Childhood Cancer Grants

\$10,000 - \$150,000: Help support and improve quality of life for children with cancer and their families

- What does LCIF fund? Construction and expansion of infrastructure such as family homes; child-friendly areas at child cancer treatment facilities; patient transportation, education, recreation
- Applicable for districts and multiple districts
- Matching funds: 25% - 50% of total project cost, depending on applicant location
- www.lionsclubs.org/ChildhoodCancerGrant

LIONS EYE PROGRAM, INC.

The next Executive Board and Delegates Meeting will be Wednesday, September 1st at 6:30 p.m. Please mark your calendars and plan to attend. The meeting will be by Zoom, as we have not yet been given the okay to meet in person in the DePaul room at the St. Vincent Charity Medical Center. Everyone is welcome to join us. Just call 216-363-2500 and leave a message to make your reservation.

According to our Constitution & Bylaws, every Lions Club in Districts OH3 and OH4 should be represented at these meetings. Your input is important to us and our clients. Presidents, please select a delegate and an alternate and send their contact information to:

lionseyepgm@gmail.com.

Delegates and Alternates should be members in good standing. Our meetings are held the first Wednesday in January, March, May, July, September and November, unless it has to be changed because of a holiday. If you have any questions, please contact us by phone (216-363-2500) or email (lionseyepgm@gmail.com).

On behalf of our Executive Board and clients, thank you for your support. We look forward to hearing from each and every club.

The **Conneaut Lions Club** Commemorates 75th Anniversary

This bench shown here, at Ed Malek Park in Conneaut Ohio, commemorates the 75th Anniversary of the Conneaut Lions Club. Seated is Past President Lew Shiley and Lion Larry Wright. Standing is Lion Encie Moroski, Conneaut Councilman Rick Gaugh and the President of the Conneaut Lions Club, Mike David. Gaugh was instrumental in building the raised beds for a native plant nursery at the site and installing the bench at the park.

The pandemic prevented the Conneaut Lions Club from celebrating their 75th Anniversary together last year, but they commemorated the event this summer by donating a bench for the park. The bench was installed in May in front of a newly planted native nursery, also a project of the Lions Club. Early in the spring of 2021, the Conneaut Lions received a generous grant from the Manitou Foundation through the efforts of The Ohio State University's Program Director of Pollinator Education, Denise Ellsworth. The grant provided the club with three to four plants of ten different native species, which members and friends of the Lions Club planted in May within three raised garden beds provided by Councilman Mr. Gaugh. The nursery is being maintained by Lions members throughout its first growing season and will hopefully need only occasionally weeding and pruning maintenance in years ahead.

The Lions Club's purpose for creating this nursery is to educate those using the park's Walking Trail on the importance of native plants and biodiversity in home landscapes. A poster in one of the beds explains each plant's use both as a food source and a host plant for various pollinators.

The **Uniontown Lions Club** 26th Annual Festival is an annual event to raise funds for the support of our various community service and outreach programs. After having to cancel last year's Festival due to the COVID-19 virus, we were **EXCITED** to be back in 2021 and celebrate with our Festival Theme, "BACK TOGETHER AGAIN." All profits from the Festival help support various local community projects and could even expand the scope of our services!

This year's festival was held on Wednesday, August 18-21 at Hartville Market Place. Every evening there was free entertainment, such as; LaFlavour Dance Band, Dave and Daphne Live From Nashville, Gerald Harris - The Entertainer, Lake High School Band, Friday evening Car Show with 74 classic vehicles and much, much more. The community could also enjoy a variety of food vendors, rides, many games of chance and many other vendors. And, Mother Nature was very kind!

We want to thank the community for supporting and making the 26th Annual Uniontown Lions Club Festival a great success!

The **Magnolia Lions** completed a major project upgrading the facilities at the town park in preparation for their annual Canal Days.

The bandstand flooring was sanded and refinished plus the deteriorating Lions Bingo stand was covered with new material on the tables and benches. Pictured are some of the many Lions who worked a huge number of hours. Also pictured are the results, plus the club's hayrides and Bingo. Magnolia's citizen of the year, Lion John Little, spearheaded much of the construction work.

At the August 19 noon meeting, Lion Leo Lux of the **Kent Lions Club** conducted an induction ceremony for 4 new Kent Lions. Using the Ohio Plan, Membership Chair Lion Doug Long, assisted by 2VP Missy Harmon, hosted a steak fry / introductory meeting in July for Lion candidates. Liking what they saw in Lionism at that event and seeing the opportunity to serve the community, four of the five candidates have now joined the Kent Lions Club. Welcome new Lions and congratulations to Kent Lions on a very successful Ohio Plan program!

L-R: Lions Leo Lux - Lion Tamer, Laurel Stiller, Dianne Nahas, Doug Long - Membership Chair, Paula Lovinsky, Nancy Wachsmuth, Jane Gwinn, PDG Tony DeLuke - King Lion. Doug sponsored Laurel, Diane and Paula. Jane sponsored Nancy.

At this same meeting, KL Tony honored Lions Doug Long and Missy Harmon as “Lions of the Month” for their efforts on the Ohio Plan membership drive.

At the beginning of 2021, the **Kent Lions Club** began collecting plastic bags and wrap for the Trex Community Recycling Program. The incentive to do so was a presentation by Lions Diane and Dan Kuntzman at the Kent Lions November 5th noon meeting. The program encompasses collecting plastic bags and wrap and turning it into a participating retailer for recycling. For every 500 pounds of plastic recycled in a six month period, Trex will send the registered organization a Trex bench. Information on this program can be found at:

https://www.plasticsmarkets.org/jsfcontent/NexTrex_Info_Sheet-Community_jsf_1.pdf

In February 2021, Kent Lions started communicating the program to the Kent community. Communication was through Facebook, The Portager, the Record Courier and "word of mouth." Kent Lions collect plastic on the last Friday of every month from 12:00-2:00 PM at the Kent United Methodist Church where their noon meetings are held. The response has been outstanding. The community very much appreciates the extra effort to recycle, keeping plastic out of the landfills and oceans and off of the roadways. Lions Wayne Wilson and Glenn Russell go the extra distance and collect plastic from local retail and industrial locations.

This is a very easy program / service for any club to undertake. A couple hours a month, a location to store the plastic while you collect it, a box of plastic recycling bags, a scale to weigh it (a \$15 hand held luggage scale works great) and a means to transport it are all you need. You will be doing your community a great service!!

RLLI

Mark your calendars for November 13th and 14th, 2021 Regional 2021 Leadership Institute will be held this year.

The RLLI program is designed to build the skills of Lions leaders to prepare them to assume leadership responsibilities at the district level.

We hope to have all 3 levels of RLLI this year - regional as well as district - so get the word out to your clubs.

Location TBD
This will be a hybrid program. To keep the program to 2 days, there will be on-line components prior to the in-person sessions on Saturday/Sunday.

August 1, 2021

Dear Inspiring Lion Leaders:

We are pleased to advise you that MD-13 OH4 will be offering a Regional Lion Leadership Institute (LLI) to the Lion Leaders of Ohio. All Lion Leaders will be offered this year. All LLI's will be limited to twenty-five participants each based on your previous participation and more than one a lifetime!

The LLI's are designed for "big impact" of leadership training. The institute at all levels will be a two-day institute and developing and improving your leadership skills. This training will help you in your work life, your Lion service and in your personal life at home. It's a true one-day institute about taking on a leadership role in your club and beyond! Being the Institute for you!

The institute is specifically designed to enhance your leadership skills. It will not be about fundraising, membership or service projects. It will be about leadership. The institute will be held at the Ohio Statehouse in Columbus, Ohio on November 12-14, 2021 and attendance is required for the entire event!

The cost to participate is \$175.00. The total institute cost per participant includes a copy of the LLI. Grants from LLI and funds from the MD-13 LLI committee allow you to attend the institute at no cost. Your only other expense will be your breakfast and transportation to and from the hotel. Free hotel food, a business card and a dinner will be paid as part of the cost.

Since you will find the list of names and qualifications for all levels, however, space is limited to 25 participants for each level so make sure you get signed up before space runs out. We have a goal of 100 participants to make the LLI a success and you provide the numbers to all levels.

We are pleased to offer this opportunity to the Lion Leaders and look forward to receiving your applications. If you have questions feel free to contact any committee member listed on the side column.

Sincerely,

MD-13 President
 MD-13 Secretary

Clarification

- ANYONE can join Level 1 that hasn't already done so. Anyone that has already done Level 1 or 2 will automatically go to the next level up, if they wish to attend.
- Anyone who is already a vice-governor or governor does NOT need level 1 and would register for Level 2, if they haven't already done Regional Lions Leadership Institute (RLLI), because their Governor training waives Level 1.

A MESSAGE FROM OUR GENERAL CHAIR

With the USA/Canada Lions Leadership Forum a couple short weeks away, we wanted to make sure you had the latest COVID-related information, address a question that has come up frequently about why the Forum will not be having a virtual component, and share the best alternative we have this year.

A lesson that I've learned many times over this year, is that when you're in a position of leadership, you can't please everyone all the time. And trust me, that's a tough lesson for a serial people-pleaser! But I can say that our team of volunteer Lions continues to do the best we can with the information we have at the time it's needed to make decisions, and we haven't taken any of these considerations lightly.

We look forward to seeing many of you in Des Moines for #LionsForum2021. However, we hope that if you aren't able, or don't feel comfortable/safe in gathering this year, that you'll **mark your calendars for Sept. 15-17, 2022 to join us for an amazing Forum in Calgary, Alberta, Canada!**

In leadership, friendship, and service,

Wendy Cain

COVID-19 Current Protocols and PCR Testing

The Forum will follow applicable public safety guidelines for the Iowa Events Center. These have not changed since our last newsletter, but we monitor closely as they may be subject to change prior to the Forum. Currently:

- ***Per the CDC and Polk County (Iowa), face coverings should be worn indoors regardless of vaccination status to help prevent the spread of the virus and protect others.***

The Forum strongly encourages all attendees to wear face coverings and practice social distancing where practical during Forum events. We also wish to embrace "kindness matters" and respect fellow Lions' personal comfort and precautions of wearing face coverings and social distancing.

A COVID test is not required to attend the Forum or enter the facility.

To facilitate COVID testing that may be required for participants leaving Des Moines, the Forum has contracted with Exemplar Care to provide onsite COVID tests (with results guaranteed within 24 hours) onsite at the Iowa Events Center (Room 333) on Friday, Sept. 10 from 12:30 p.m. to 5:30 p.m. Scheduling and payment for the test are the responsibility of attendees.

Virtual/Hybrid Evaluation

While it is essential that each individual considers their own circumstances and personal situation/comfort level when deciding whether or not to attend the Forum, the Forum also has an obligation to be fiscally responsible. The Forum is an independent Lion-led organization that doesn't receive any portion of your Lions dues.

Earlier in the year, we evaluated the potential of providing a virtual component of the USA/Canada Lions Leadership Forum. However, two factors led us away from this option.

We had a deadline in March to finalize the Forum format in order to adequately consider all the logistical intricacies of incorporating virtual features with an in-person event. At that time (prior to the emergence of the Delta variant), the COVID data was going in the right direction and all indications were trending toward continued improvement.

To ensure a high-quality experience for both in-person and virtual participants, we would have needed much more extensive audio/visual as well as high capacity livestreaming capabilities for 10 seminar rooms simultaneously and our large banquet hall. This would have made registration for a virtual option cost prohibitive.

Lions have been enjoying high quality FREE or low cost virtual training since the Spring 2020 (if not before). The Forum can't compete with free and provide the infrastructure necessary for quality hybrid events; there would have been little demand for what we would have needed to charge.

We will always support and encourage Lions to take advantage of virtual and on-demand learning opportunities such as (but not limited to):

- Lions University - Provided by the Forum since 2014; you can take all the courses you want for free; however graduation requirements do include attendance at events.
- Lions Learning Center - LCI's online learning portal.
- Lions Virtual - Ongoing Zoom educational and social activities, and a mobile app that incorporates social sharing and other resources.
- Global Lions Forum - Facebook Group with great discussions on topics of interests to Lions.

Although we will not be able to have remote participation in the Forum, we have arranged a way to bring at least part of the Forum experience into your homes.

Our A/V vendor will have equipment to record audios of the educational seminars, and many of the seminar facilitators have graciously agreed to provide their presentation materials.

These are intended to be available for purchase after the Forum as a single package. However, since this is the first time the Forum has attempted this, we are not taking pre-orders. We want to ensure the clarity and quality of the recordings before offering for sale.

There is a significant expense to offer even this limited capability, and your response will help inform the Forum as to projected interest and demand for future remote learning options.
