LCI PRESIDENT'S MESSAGE Together We Are Team Lions

Hello, Lions,

Boy, am I excited to be addressing you for the first time as your new International President. If you know me, you know I like making everything just a little bit fun. And if you don't know me, well, I hope you will come to know and love my approach to service — which is to do everything with a whole lot of energy and a smile.

People say I have a lot of energy, and they're right. And you know what, I intend on using every bit of it to lift you up and cheer you on this year. I know Lions have a lot of energy, too, and I know that together we can make big changes.

One person may look at all that needs to be done in this world and feel overwhelmed. But when you are a Lion, you are never just one person. You have a whole team of Lions behind you!

I want you to know that throughout my year as your president — and beyond — I will always be on your team. I will always be here to cheer you on. So I say, let's be each other's biggest fans. Let's make it clear that when Lions put their energy into a project, they do it with a world of support behind them. We are one team — Team Lions.

You want to make big changes, you say? So do I. And together we can.

Yours in service,

Brian E. Sheehan

District Governor Report **August 2022**

Lions of OH4:

I am enthused today after having our “Mini-Cabinet” meeting with our district’s Governor Team, Cabinet Secretary and Treasurer, Zone chairs, and the GAT (coordinators for Membership, Service and Leadership). What an awesome group of Lions leaders! I anticipate great things from them in the year ahead.

One of the things we discussed was the list of District Goals for 2022-2023. Each year we think through the past accomplishments and consider how to improve. If you don’t have a target to aim for, success isn’t going to happen. (These will be listed in the District Directory which is coming soon.) We aim high for improved service, great training, strong orientation of new and old members, donating to LCIF, and of course bringing in more Lions to serve with us.

I was thinking about our Lions as I heard our pastor speak this morning. His topic concerned two women followers of the Lord who approached their service in different ways. One was all about working hard to prepare and serve, getting distracted by details and frustrated with the other who concentrated on listening and learning. One key point was that we need to do both, and that’s true of us Lions as well. At various times we need to plan out details, work hard, and serve, not feeling unappreciated but knowing our service is so important. We need workers! Yet just as important as “sweating out the details” is taking time to share ideas and truly listen to those we serve and those Lions serving with us. Focus on what others are saying and learn from each other. That’s how we improve - by assessing our efforts so things go better another time. That’s an important segment of “doing our part” to make our clubs attractive to current and prospective members. Hearing and doing are equally important. Take your turn doing both.

(Continued on the next page.)

District Governor Report August 2022

In the next few months I will enjoy meeting face-to-face with your clubs so you can share what you've accomplished together. It's so great to be with Lions – the positive vibes and kind welcome we receive as visitors is worth more than you know. If I haven't yet spoken to your club's officers, please feel free to contact me to invite me for a visit as we share our busy calendars. I'd love to come!

“Step up to Service” my friends! Encourage each other to learn and stretch our limits. You will find joy in doing so.

In Lionism,

DG Lion Carol Snyder

First Vice District Governor Report August 2022

Greetings, Lions of OH4!

Well we are almost a month into the new Lions' year, and some are basking in the accomplishments of the end of last year (congratulations Poland for bringing in 14 new Lions in June). Several clubs joined that bandwagon to beat the \$35 dollar initiation fee: West Point with five new members, congratulations all. Now it's time for orientation of the new members: get them involved, give them a job, help them do that job, and don't leave anyone out there to do it alone.

If we want quality Lions, we are responsible for making them quality Lions. Many of you may be asked to join committees on the district level. Please think long and hard before you answer because we need more of you to step up to help, and NO ONE will push you where you don't want to go. Being a zone chair for example is not a stepping stone to become a district governor unless you want it to be. Don't be afraid to take a position when asked.

Looking forward to visiting clubs in Region I and renewing friendships.

In Lionism,
First Vice District Governor
Lion Janet Christen

Second Vice District Governor Report August 2022

Greetings Lions of OH4,

I hope everyone is having a good summer!

I went to the Ohio State Convention for the first time in May. If you have never been to a state convention, I encourage you to go. There were good sessions to attend and I had a chance to meet and hear our current International President, Brian Sheehan. His keynote speech was informative and he interjected a lot of humor, also. His wife, Lori, was our luncheon speaker. She told of some of her travels that have taken her all over the world. Lions International is in good hands. I also had a chance to meet the other six district 2nd Vice District Governors.

I also recently visited the Sherrodsville club. They had just elected a new president, 1st vice president, and secretary. No one was happier than their immediate past president who had been in the position for a long time. We need Lions who are willing to step up in both their clubs and the district to replace Lions who have served in their positions for a long period of time. I want to thank Lion Linda Salom of the Magnolia club for taking over my position as zone chairman after 8 years and Lion Priscilla Allcorn of the Uniontown club for taking over the position of Cabinet Treasurer. These two Lions are good examples of stepping up where needed. I encourage you to look for opportunities to step up too.

Yours in Lionism,
Second Vice District Governor
Lion Bill Humphrey

Global Membership Approach

Hello Lions of OH4,

A new Lions' year is upon us and I know many of the clubs are in the planning stages for a GREAT year of Lion's Activities within their communities!

As part of the Global Membership Team as the District Membership Chairman, you will be hearing from me or a member of the Global Membership Retention and Extension Team throughout the year. We are all here to help your club reach out to the community and assist you with recruiting and retaining membership in your clubs. We all know the more hands we have on deck to help with a project, the easier and more productive it can be for our communities.

Take a moment in August to assess your clubs goals in all you do during a Lions' year. The team hopes you'll have plans for recruiting events early in the year. Take a moment to discuss plans for a "club informational night". Set a plan for asking interested individuals in your community to join you to learn more about what Lions do to Serve. The Ohio Plan is a great tool for such an event and at lionsclubs.org there is a program call "Just Ask"! Both are ways a club can reach out to ask others to join and help. The BIG thing here is one has to "ASK"! You can do it!

As your District Governor last year, I challenged you with a few thoughts. What is your vision for your club? Will your club be in existence 2 years, 5 years or even 10 years down the road to serve your community? How do you need to change or expand to draw more helping hands into your club and to expand service to your community.

There is no one way that works for everyone. Take a moment as a club to discuss these questions and then plan for a block buster year of growth for your club in service and membership. In need of help, please do not hesitate to reach out to the TEAM!

Have a GREAT year!

We are teaming up with the fundraising branch of the OSSB Foundation to send these 26 youth and their 14 marching aides to Boston. To reach our goal, the Ohio Lions are asking Lions and clubs to sponsor these youth -- \$1 per band member, \$5 per member, \$10 per member -- every bit helps. This year only. This parade is a once-in-a-lifetime opportunity for our visually impaired students and we want to make it a GRRREAT experience for them.

Lion Ernie Richmann District Diabetes Chair

District Lions,

On September 10th, District Diabetes Chair Lion Ernie Richmann and his son Lion Ernie, both Painesville Lions, will be riding the 50 mile route in this year's VeloSano bike ride. Latin for "swift cure", VeloSano is Cleveland Clinic's premier fundraising initiative in which 100% of every dollar raised supports lifesaving cancer research at Cleveland Clinic and Cleveland Clinic Children's. Since its inception in 2014, nearly \$30 million has been raised and has advanced over 200 cancer research projects. Visit his website, <https://give.velosano.org/fundraiser/3914875>, and make a donation to help Lion Ernie reach his \$1000 goal. Any donation amount will help.

I will be glad to present to any Lions Club, information about diabetes, diabetes research, Camp Ho Mita Koda, or any related diabetes topic. This can be in person or Zoom.

Club Reports

The **Conneaut Lions Club** inducted two new members at their summer social meeting in July as they look to expand their club and impact in the community. Ed Somppi and Dean Thompson were inducted into the club by President David Thomas at the home of board member Eric and Stephanie Nesbitt of Conneaut.

“We are very excited to welcome two excellent new members into our club and see their ability to reach the community grow through the reach of the Conneaut Lions,” shared President David Thomas. Thomas was joined by the new members’ sponsors Michael David who sponsored Ed Somppi and Dean Thompson’s sponsor Lew Shiley at the ceremony.

“It’s nice to be back involved with the Lions Club,” said Ed Somppi. “I’m excited to be helping the community through Lions.”

Both Ed Somppi and Dean Thompson are former Lions Club members. Somppi a former Conneaut Lion, and Thompson, a former member from California where he lived before moving to Conneaut, both expressed joy at continuing their time in a service organization with as much history and with as many programs as the Conneaut Lions.

Following the induction ceremony, President Thomas reviewed upcoming annual events being hosted by the Conneaut Lions Club including the Luke Stough Memorial Golf Outing (see page 23) funding local high school scholarships and the annual Money Night Raffle (see page 27) benefiting Safety Town.

Club Reports

The **Kent Lions Club** teamed up with the Knights of Columbus and the Kent community to collect canned and dried food to help restock the bare shelves at Kent Social Services on July 7-9. King Lion Missy Harmon reported on Saturday that the two organizations partnered to take “over 4 truck loads of food and \$1000 to Kent Social Services since Thursday afternoon. So many Lions made trips to KSS and to our collection site in downtown Kent today. My heart is humbled by the generosity of our clubs and community.”

On Saturday, July 23, nine Lions from the **Kent Lions Club** did a highway clean-up on the 3.1 mile stretch of Route 261 that runs between Routes 43 and 59 in Kent/Franklin Township. The club does this cleanup 3-4 times a year. Today's haul was 26 bags of trash that no longer detracts from the view along this road. The crew gathered for a hearty breakfast, as usual, after the cleanup.

Club Reports

Six members of the **Kent Lions Club** attended a dedication ceremony at the community gardens in Kent's Historic South End district on July 23. The celebration included the recognition of our donation of a Trex bench for the gardens.

SWEET CORN FESTIVAL

It's ear-resistable fun!

FUNDRAISING OPPORTUNITIES AWAITS

Is your Lions Club thinking about a new "turn key" way to raise funds for that next community service project? Maybe the Millersport Lions Club can help your club achieve its goal.

There is no investment on your part. For every ticket your members sell you keep 1/2 of the proceeds and only have to return the other 1/2 of the proceeds, all ticket stubs and any unsold tickets before opening day of the Sweet Corn Festival. It doesn't get much easier than that for a way to raise big dollars quickly. The tickets sell easily because of the top prizes, the funds benefit worthy causes and the event has been around for over 75 years.

If you want to learn more about this proven fundraiser or want to place an order for an allotment of Major Prize Tickets, contact Lion Kevin Hite at 614-354-3159 or kelvinhite@gmail.com today. Kelvin serves as the Chairman of the Major Prizes for the Sweet Corn Festival and is Past President of the Millersport Lions Club.

The Sweet Corn Festival is the oldest and largest annual project of the Millersport Lions Club which was founded in 1946 and will be held on August 31 - September 3 at Historic Lions Park in Millersport. Patrons can enjoy hot dripping ears of sweet corn, a large midway, tractor pulls, square dancing, contests, clogging, our heritage village, and lots of festive foods. There is a grand parade on Wednesday at 6:00 pm; The Nostalgics big band performing on Wednesday at 8:30 pm; David Spires in concert on Thursday at 8:30 pm; Country artis Matt Stell appearing on Friday at 8:30 pm and The Frontmen wrapping up with a stellar show on Saturday at 8:30 pm; a 5-K Run on Saturday at 9:00 am.

Come see why we are ear-resistible fun! Admission is FREE, \$10 per vehicle parking fee.
