LCI PRESIDENT'S MESSAGE

Changing The World

Dear Lion,

When you give someone a drink of water, you can quench their thirst for a day. But by building a clean water system, you change their lives - and their community - for good. That is the kind of big, sustainable impact that our greatest partner, Lions Clubs International Foundation (LCIF), helps us make every single day.

Our foundation gives us the support we need to expand our service and support our growing membership. But just like every great partnership, that support works both ways. We support LCIF and LCIF supports us. So, let's keep serving, and let's keep supporting great service at home and around the world with LCIF.

Yours in service,

Dr. Patti Hill

International President, Lions Clubs International

District Governor Report October 2023

FALL is here, pumpkin drinks and donuts abound as do mums, corn stalks, gourds and pumpkins. We have fallen into the FALL mania at our house with all of the above and more. It's like a disease. I can't pass a beautiful blooming mum without lusting for it. That's Wayne's problem.

It's also "Fall into Service" time and I hope all of you remember to report your October service projects under the Fall Into Service category. I know as we move into the fall and winter season the needs in our communities increase as does our service. Where there's a need there's a Lion really does say it all and I am sure your communities appreciate all that you do for them.

We are approaching another cabinet meeting on November 12 and I hope your clubs are participating in the Change project. Your zone chairs will be bringing your donations and reporting them to the cabinet, then you can start over for the next opportunity to help eradicate childhood cancer. If your zone chair hasn't approached your clubs with this project just ask them or contact me (janet.christen@gmail.com or 330-853-4882) and I will explain it to you.

First Vice District Governor Report October 2023

Isn't it great to be a Lion!

We are still looking for a Second Vice District Governor candidate. In looking for a candidate, DG Janet and I found that a candidate should have served in a District Cabinet position for at least one year preferably two, not necessarily as a Zone Chairman or District Secretary or Treasurer. We have candidates for next year and the year after, but we still need one for this year.

Regarding membership, as of September 23rd we are at -19 for the district. Congratulations to the Painesville and Poland clubs for adding new members in September. Let's work toward positive membership growth by the end of October. Remember to keep IP Patti Hill's goal of 1.5 million members in mind and to Ask One, Get One, and Keep One. Start working toward a Club Excellence Award.

I would like to recognize PDG Tom Zickefoose and Lion Marian for their service at the Canfield Fair eye screenings. The time and effort they put in was above and beyond! Thanks Lions!

Watch for October service events: Fall into Service, the Steps Walk, and the JDRF Walk.

If you need help with a service project or fundraiser consider asking another club for help. Remember, we're all in this together.

Yours in Lionism,

Lion Bill Humphrey

District LCIF Coordinator Report October 2023

Lions Clubs International
FOUNDATION

Lions of OH4:

It's Fall and we're heading into a time of service and thankfulness. I feel glad that we live in Ohio, away from the massive disasters that have occurred. There's no guarantee it can't happen here, however. How can we Lions be of greatest help to those around our country and world who are in need, especially these survivors?

Do You Know?

Our own club and/or district can apply for a grant to help finance a larger-scale project that fits a service areas of: Vision, Youth, Disaster Relief, Humanitarian Efforts, Diabetes, Childhood Cancer, Hunger, or the Environment. (Our district has funds available from LCIF based on previous donations. We could combine this with another Grant to finance such a project, as we did with camp Ho Mita Koda. Use your brainstorming and share ideas.)

Do You Know?

Each district is assigned a goal based on membership; ours this year is based on \$27.00 per member. It's a large total, but each member could set aside \$5.00 per month to donate. Just send me the amounts and I can report for you, or there's an online donation form you can fill out at lcif.org. Just let me know so I can keep district records.

Do You Know?

Together our donations can finance large needs, such as the \$100,000 Major Catastrophe Grant mobilized following the disaster in Morocco. That's just one example.

Do You Know?

Our district has 49 clubs now. For July & August, LCIF reports \$1765 donated, from just 5 of our clubs. Clubs and individuals can donate at any time of year, not just at the convention. Please plan to help fill the coffers so more needs can be covered by our foundation throughout the months ahead.

Thanks for all you do,

Global Membership Approach October 2023

Hello Serving Lions of District OH4,

As I visit the Zone meetings, it is wonderful hearing about the great projects you are all doing in your communities to help change the lives of the individuals you are serving. The sharing of your ideas will indeed help Lions in your zone "Change the World".

As of this article writing, we welcome the following new Lions that appear on our District's New Membership Report from Lions Clubs International. We will continue to recognize our new lions and the club each month when they appear in our report. As of September 24th:

Painesville: Lion Kevin Bogdanski

Poland: Lion Craig Hockenberry

Way to go Lions!!! 2 more OH4 clubs showing plus one member for this Lions' year of 2023-2024. So far 9 clubs have shown an increase in their membership numbers since the beginning of this Lions' year! Please note that there is a patch from LCI for being plus ONE!

Our District goal is to see each club be +1 from their beginning membership balance as of the July 1, 2023 date. If you need the info on where your club began with membership as of July 1, please do not hesitate to reach out. The GMA team and I can provide that for you.

Did you know that our International President Patti Hill has set a goal for Lions Membership throughout the world? She would like to see our organization of 1,371,236 million Lions grow to 1.5 million by the year 2027. This is possible if we share our passion for serving with others and invite them to serve with us to feel the joy of helping our community through the projects we choose to do! Don't just ask a potential member to come to a meeting. Ask them to help you serve in an upcoming project your club has planned. Think outside the box, ask neighbors, close friends, grown children, work associates and clergy to join your passion for serving others. The key to adding members is the need to "ASK" others to join in serving!

Our biggest challenge we face is keeping the members we have on our roles. When a member asks to be dropped, please ask them why? Many times we will be surprised at their answer. Remember... "Together We Can Grow"!

DG Janet and her husband PDG Wayne and GMT Judy Young were in attendance. A new member was inducted into the Rootstown Lions Club. The clubs have been very busy doing multiple activities including: providing meals for the Haven of Portage County, scholarships to local seniors, collection of plastic (for the Trex program,) eye glasses, bottle caps, medicine bottles. The clubs all participated in eye screenings at the Portage County - Randolph Fair screening over 1400 people. We collected loose change for the Make Change program, and collected items for Pilot Dogs. Proceeds from a 50/50 is being donated to Hawaii relief

Club Reports

The **Painesville Lions Club** would like to extend a sincere thank you to Anne Kline of Little Annie's Hope Train for being our guest speaker in September. Little Annie's Hope Train is a "grassroots" organization that directly services the homeless and the hungry. Anne says every single homeless person has their own unique story. She lives by the words of Roberto Clemente – "Anytime you have an opportunity to make a difference in the world and you don't, then you are wasting your time on this Earth." She and her volunteers are out there every day making a difference in people's lives.

A few months back, Lion Jerry C. Jaffe brought a few guests to one of our meetings. Today we are pleased to announce that one of those guests is now an official member of the **Painesville Lions Club**. Lion Kevin Bogdanski, shown in the photo with King Lion Scott Nickel, says he is eager to be a part of a service organization. He has personal experience with being touched with an act of kindness, and wants to pay it forward. We look forward to Lion Kevin being an active part of our organization!

The **Painesville Lions Club** is excited to announce the official induction of Maddie DeMoss into our Cub Program. Maddie, the daughter of Lion Katie DeMoss, has been involved in the Lions Cub Program since its start in our Club. Along with receiving her official Cub patch and certificate, she successfully presented her idea for a great new service project involving the environment, which is one of Lions International's global causes. A big ROAR to Cub Maddie!
