LCI PRESIDENT'S MESSAGE

Shine a Light on Your Service

Dear Lion,

You are making such a big difference in people's lives every single day. Now imagine how much more your club could accomplish if everyone in your community knew of all the good they could do as part of your club.

Let's show our pride in our clubs by shining a light on our service every day. We are the global leader in humanitarian service, and we need to make sure that our communities know how we serve and how they can participate. Let's use great marketing and communication to show our communities that we are changing lives - and that they can change the world with us by becoming Lions and Leos.

Yours in service,

Dr. Patti Hill

International President, Lions Clubs International

District Governor Report November 2023

I am pleased to announce that as of October 26th we have a 2VDG in OH4. Brett Housley from the Rootstown Lions Club has stepped forward to fill this vacancy. Brett has been a member of the Rootstown Club since 2014 and has held all of the necessary offices in the club and district to be eligible for this position. Brett has been married to his high school sweetheart for over 30 years, has 3 daughters and one son-in-law. We welcome Brett to our administrative family.

As of the end of October, I have visited 22 of the 48 clubs in our district as well as various celebrations, picnics, induction ceremonies, officer installations, zone meetings, etc. It's really the best part of this job; visiting and talking to members, hearing their trials and triumphs and celebrating with them.

Fall into Service is over but not our commitment to serving our communities. The Make Change program will continue all year culminating at the District Convention. So continue to collect your change and turn it into your zone chairs. We will also continue the collection of items for Pilot Dogs. Please bring Johnson & Johnson Baby Shampoo, Kong Toys, Nyla Bones and Donutz (for Puppies) to your zone meetings. Lion Ray Delmore will see that all items are delivered to Pilot dogs.

As we launch into the Holiday Season I wish all of you joy, peace and love.

First Vice District Governor Report November 2023

Isn't it great to be a Lion!

Brett Housley, our current district GST, has stepped up to take the open Second Vice District Governor position. Thanks Brett! DG Janet and I look forward to working with you.

Regarding membership, as of October 25 we are at -20 for the district. Congratulations to the Austintown, Southeast Portage Co, Uniontown, and West Point clubs for adding new members in October. Let's work toward positive membership growth by the end of November. Remember to keep IP Patti Hill's goal of 1.5 million members in mind and to Ask One, Get One, and Keep One. Start working toward a Club Excellence Award.

I hope we have a few more clubs participating in the Peace Poster Contest this year. Entries need to be turned in to DG Janet at the District Cabinet meeting on 11/12.

I encourage everyone to attend the Winter Retreat at Salt Fork on Jan. 12 – 14. There is a discount if you register by Dec. 1. I hope to see you there.

If you need help with a service project or fundraiser, consider asking another club for help. Remember, we're all in this together.

Yours in Lionism,

Lion Bill Humphrey
First Vice District Governor

District LCIF Coordinator Report November 2023

Lions Clubs International
FOUNDATION

Lions of OH4:

It's been a beautiful time to "Fall into Service"! I've been honored to meet with our District OH4 Lions in several gatherings. I love the time to be together, sharing some thoughts about our great clubs and our Foundation. (Zones 7, 8 and 9 so far, plus the Hartville, Jackson and Magnolia clubs and the District PDG fall dinner.) It was particularly good to help Hartville Lions honor 3 community members with the Melvin Jones Fellowship. Service comes through many people and positive support needs to be recognized. (See the picture on District Facebook page.)

I've helped some secretaries with the MJF award process, so please don't be shy about asking me if you want information for your own club. One way I can help is by checking your club's status of donations to see if you've reached the \$1000 donations required to give a MJF. Some clubs have surpassed that and others are close. An FYI: while searching member information on the LCI website, I notice that there's still quite a few Lions who are missing some of their contact information. It's very helpful to our district leaders to find that information online. Know that I'd be glad to help any secretary by identifying which Lions need an update.

Thinking of donations – we all should be aware of all the disasters happening throughout our country and around the world. Major Disaster Grants are vital, plus the service of our Lions in those areas is supported when they apply for LCIF grants. Grants also can help your club plan a larger project in any of our Lions' causes. Please consider how you as an individual can serve through your own donation. Again, this can be online or through me as District Coordinator.

Finally, look for upcoming pictures of the new "Helen Keller Centennial" commemorative ornament forged by Wendell August and sold to raise funds for LCIF. I will receive a supply of these ornaments by way of DG Janet at the November Cabinet meeting. A donation of \$18 for aluminum or \$23 for bronze is requested. (See the post on our District Facebook page.) A perfect Christmas gift!! Contact me with the info below. Online orders also possible at wendellaugust.com/lcif.

Thanks for all you do. We serve!

Global Membership & Retention Approach November 2023

Hello Lions of District OH4,

Have you heard the word “Retention”? As we travel through the year besides reaching out and asking others to join us in service, we need to recognize our existing members are just as important! They are the backbone of our clubs. So, how do we keep our members satisfied, feeling appreciated and retained in our clubs? One way is doing a GMA Club Assessment. The tools for conducting a club assessment can be found at the Lions website Lionsclubs.org. Go to that address from your internet server and in the magnifying glass in the right-hand corner of your screen, type the following words “**Membership Satisfaction Guide**”. Hit the view button and a wealth of tips are available to guide you in asking your membership to evaluate the activities of the club. It provides lots of ideas that you can pick as best for your club. A copy of this guide was given to each club's membership chair. The online version is the same as the printed one but can be made available to each and every Lion using their computer. If your club needs some help and guidance, please reach out to the GMA Team members in your zone or me ASAP! My contact information is at the end of this membership article.

Another resource for helping us work on retention is to be sure our members feel appreciated. A recent post on the [Global Lions Forum Facebook Page](#) presented the idea of periodically sending the members in the club that worked a project a thank you note. When you think about it, it's an awesome idea! At least I thought so and when I did that after our recent club fundraiser the impact was indeed positive. Our members told each other how that made their day. Try it sometime and consider joining the Global Lions Forum for lots of tips and insight from Lions all over the world.

A big challenge we face throughout the year is keeping the members we have on our roles. Let's try to do better in making each member feel special and respected at each meeting and club event. When a member asks to be dropped, please ask them why? Many times we will be surprised at their answer.

Let's continue to recognize our new Lions to our district. As of this article writing, we

CC Dave's Report to the Sub-Districts for November

Greetings to all,

I hope your clubs had a “servicable” October and were able to report Fall into Service Activities for the month. It would be great if MD13 were efficient enough to have 100% reporting by the end of the 2023 Calendar Year. I am sure GST leaders throughout the multiple have been encouraging clubs in their districts to do so. By the way, I want to assure you all that we have an outstanding leadership group throughout the Ohio Lions this year who are working hard to grow our service and our membership, train to become more effective leaders, and fulfill their various roles in a positive and joyful manner. As an ex officio member of all our State Committees and having had the opportunity to sit in on numerous meetings of these committees, I am impressed by how dedicated and professional our elected and appointed leaders are.

We are currently waiting to hear whether two Lions International Grants have been approved. One is a promotional grant to develop more videos, this time focusing on two major foundations and on LEOs, and the other is a membership development grant which we plan to use to help end our 40 year drought of minus membership growth. We currently are +11 in membership growth since July 1; at this time last year we were -72. A new club in Marion, some explosive growth in OH7, and four other districts in plus numbers is very encouraging. However, clubs tend to weed out inactive members in December and June, prior to semi-annual billing announcements, so we need to keep up the great work. I am aware some of our districts are taking advantage of LCIF grants and LI (LI stands for the name of our international association, Lions International) training grants as well. It is good Lionism to have monies we pay in International dues and monies we contribute to LCIF return to benefit our state association and the communities within it. Again, these grants reflect the diligence of our district and state leaders in acquiring financial support for programs and service within our multiple.

I hope you are making change within your clubs. We encourage you to support hunger concerns within your communities this quarter since the fall and winter Holidays and

winter season are often the most demanding times for food pantry stockpiles, families needing healthy nourishment to celebrate the season and to combat the weather. This first quarter, we encouraged clubs to support diabetes causes. At the time of this writing with over a week left in October, I see about \$5300 donated for Diabetes causes in our multiple district. Lion Ernie Richmann is our State Diabetes Chairperson and can direct donations to worthy diabetes organizations like the Juvenile Diabetes Research Foundation. His address is: 48 Lincoln Blvd, Painesville, Ohio 44077.

I hope your Halloween was spooky and fun. Have a great Thanksgiving. I look forward to seeing many of you at the November 4 Council of Governors Meeting at the Central Ohio Lions Eye Bank and the RLLI2 Training at Salt Fork State Park Lodge in mid-November.

November is the month for giving thanks so we would like to take this opportunity to thank the Cleveland Clinic Law Department, North Pointe Realty, Inc. and the Lutheran Hospital for accepting us at 1730 West 25th Street, Cleveland, Ohio 44113 in Suite LUB 167/130, 250. We are most grateful for the hard work by everyone who made this move happen.

Our plan is to be settled in soon, but in the meantime, please continue to call 216-363-2500 and leave a message, email lionseyepgm@gmail.com or use P.O. Box 46185, Bedford, Ohio 44146 to submit applications and general correspondence.

Deliveries of used eyeglasses, sunglasses, cases and hearing aids will be resumed once everything is in order; however, one of our officers must be there, per the lease agreement. If you would like to make a delivery, please contact Lion Lois Lowe (216-363-2500 or lionseyepgm@gmail.com) to schedule the delivery date and time.

The Officers and Board of Directors also appreciate Jeff from Geauga Vision for his help while we have been working from home. Thanks to him, we were able to process many applications, so we continued to improve the quality of life for those in need. The lionseyeprogram.com website has generated a lot of interest in our services also. We would like to have more Lions Clubs submit applications, which are available if you make a request.

In addition to planning the move, we have been working to update our bylaws, along with Lions Clubs International. A huge thank you to those involved in helping us with this project.

Thank you, once again, to the Clubs that donated to the Lions Eye Program in the Parade of Checks this year. With your support, we were, and still are, able to reach out to those who need our services.

The Lions Eye Program is so thankful for each one of you – so Happy Thanksgiving.

Club Reports

At the October 19 noon meeting, the **Kent Lions Club** presented Kent resident Dick Richards with a Knight of the Blind award. Dick and his late father were owners of Richards Flower Shop in Kent. For many years they supported the Kent Lions by allowing the club to use their facilities for a week in order to conduct the Lions annual flower sale. At first the sale was roses, in most recent years the sale has been carnations. The sale has been one of the Kent Lions best fundraisers for many years. Unfortunately, 2023 will probably be the last year for the carnation sale as Dick has closed the shop and is retiring.
